SUBJECT: Cleveland Electric Illuminating Company - Protest Rate Case

Please docket the comments below in the case number above.

I live in Madison ohio. I have all electric home.I just seen the proposal for First Energy Ohio Utilities File Settlement to Provide \$900 Million Federal Tax Refund to Customers .I hope u realize i already pay on average 40 dollars extra month for them to have a cost recovery charge.I think what they want to give back is to little while using the money that they shouldnt HAVE!! to remoderize there system.They need to lower ther cost recovery charges if they want to be given even more money its not fair.There charges are hurting a lot of the elderly there struggling on fixed incomes. Thank you i just wanted to post my opion.

Sincerely,
