Thursday Morning Session,  
February 21, 2019.

EXAMINER WALSTRA: Good morning. My name is Nick Walstra, the Attorney Examiner with the Public Utilities Commission of Ohio. We are here this morning for Case No. 16-122-TR-ORD regarding adoption of rules related to the regulation of transportation network companies.

The 131st General Assembly adopted SB 237 to, in part, amend Revised Code 4925.01 through 4925.10. Newly adopted RC 4925.02 authorizes the Commission to adopt rules under RC Chapter 119 for purposes of issuing permits to transportation network companies.

On February 21, 2018, a year ago today, the Commission issued a finding and order that proposed Ohio Administrative Code Chapter 4901:2-23 be adopted. Those proposed rules were recently filed with the Joint Committee on the Agency Rule Review.

And pursuant to RC 119 we are here today to entertain any further comments. So at this point we will take comments from any interested parties. We have a court reporter who will file the transcript of this hearing in the docket and a summary of

1 comments from this hearing will be submitted to  
2 JCARR.

3 Finally, after the hearing, Staff may  
4 revise proposed revisions to the proposed rules.

5 Is there anyone here who would like to  
6 enter any comments?

7 Hearing none, we are adjourned.

8 (Thereupon, 10:04 a.m., the hearing was  
9 concluded.)
