Date: March 7, 2019
Subject: Notice of Turbine Model Update
Case: Hardin Wind Energy LLC
Case Number: 09-0479-EL-BGN

Dear Docketing:

On February 14, 2019, Hardin Wind Energy LLC (Applicant) filed a notification, pursuant to O.A.C. 4906-4-09(A)(5)(c), of a new turbine model that it desired to have available to use in its previously certificated wind farm. On February 21, the Applicant filed a clarification to the February 14 filing. On March 1, the Applicant filed an additional clarification to its February 14 and February 21 filings. Staff notes that, although the filings referenced O.A.C. 4906-4-08(A)(5)(c), Staff assumes that the references to rule -08 were intended to be references to rule -09.

By this letter, Staff states that it has evaluated the proposals that were submitted by Hardin Wind Energy LLC and has no concerns with the modifications proposed by the Applicant in compliance with the requirements of O.A.C. 4906-4-09(A)(5)(c).

Sincerely,

Raymond W. Strom
Chief of Siting, Efficiency and Renewables Division
