Mr. Robert Wolfe  
Public Utilities Commission of Ohio  
180 E. Broad Street  
Columbus, OH 43215

RE: Annual Measurement and Verification Report  
Case No. 10-2205-EL-EEC

Dear Mr. Wolfe:

This correspondence contains the measurement and verification data promised in the Self-Direct Program Agreement submitted as an exhibit to the application for approval of a special arrangement for a mercantile exemption of the energy efficiency rider (Case No. 10-2205-EL-EEC) and as contemplated in the rules of the Commission.

Attached to this cover letter are Honda submitted Exhibits A (Energy Conservation and Demand Reduction Project Summary), Exhibit B (Energy Data Sheets) and Exhibit C (Cumulative Performance). Subsequent to the last report, Honda removed two expired projects and placed two new projects in the Self-Direct Program. The projects now in place will keep Honda in compliance with the Agreement through 2019. We again ask that the attached exhibits remain confidential to protect Honda proprietary and confidential data. A separate Motion seeking an order to place the Exhibits under seal has also been filed today.

Finally, if you have any questions or need additional information please contact me and I will work with associates here at Honda to answer those questions.

Cordially,

Christine K. Schwartz  
Counsel - Honda North America, Inc.  
Tel: (937) 644-6645
