**Re: Case No. 18-1409-GA-AIS**

*In the Matter of the Application of Columbia Gas of Ohio, Inc. for Authority to Issue, Sell or Enter into Debt Transactions.*

Dear Ms. Troupe:

By Finding and Order issued February 6, 2019, the Commission authorized Columbia Gas of Ohio, Inc. ("Columbia") to issue and sell long-term promissory notes in an aggregate principal amount of \$300,000,000. Columbia offers the following supplemental report on its exercise of the authority granted by the Commission.

In its April 17, 2019, report on the exercise of authority, Columbia reported that on March 29, 2019, Columbia issued to NiSource Finance Corp. a thirty-year unsecured promissory note in the aggregate amount of \$80,000,000. That report inadvertently referenced NiSource Finance Corp. The March 29, 2019 promissory note was issued by Columbia to NiSource Inc.

Please let me know if you need additional information regarding this matter.

Very truly yours

/s/ Stephen B. Seiple
