City of Barberton Exhibit A-2 "Authorizing Ordinance"

GM:sem  
07-05-00

Presented by: Mrs. Fisher

ORDINANCE NO. 145-2000

**TITLE: SUBMISSION OF BALLOT QUESTION TO SUMMIT COUNTY  
BOARD OF ELECTIONS - ELECTRICITY AGGREGATE**

**AN ORDINANCE AUTHORIZING ALL ACTIONS NECESSARY TO  
EFFECT A GOVERNMENTAL ELECTRICITY AGGREGATION PROGRAM  
WITH OPT-OUT PROVISIONS, PURSUANT TO SECTION 4928.20, OHIO  
REVISED CODE, DIRECTING THE SUMMIT COUNTY BOARD OF  
ELECTIONS TO SUBMIT A BALLOT QUESTION TO THE ELECTORS, AND  
DECLARING AN EMERGENCY.**

WHEREAS, The Ohio Legislature has enacted electric deregulation legislation ("Am. Sub. S.B. No. 3") which authorizes the legislative authorities of municipal corporations, townships and counties to aggregate the retail electrical loads located in the respective jurisdictions and to enter into service agreements to facilitate for those loads the purchase and sale of electricity; and

WHEREAS, Such legislative authorities may exercise such authority jointly with any other legislative authorities; and

WHEREAS, Governmental aggregation provides an opportunity for residential and small business customers collectively to participate in the potential benefits of electricity deregulation through lower electric rates which they would not otherwise be able to have individually; and

WHEREAS, This Council seeks to establish a governmental aggregation program with opt-out provisions pursuant to Section 4928.20, Ohio Revised Code (the "Aggregation Program"), for the residents, businesses and other electric consumers in the City and in conjunction jointly with any other municipal corporation, township, county or other political subdivision of the State of Ohio, as permitted by law.

**NOW, THEREFORE, BE IT ORDAINED** by the Council of the City of Barberton, State of Ohio:

**SECTION 1.** This Council finds and determines that it is in the best interest of the City, its residents, businesses and other electric consumers located within the corporate limits of the City to establish the Aggregation Program in the City. Provided that this Ordinance and the Aggregation Program is approved by the electors of the City pursuant to Section 2 of this Ordinance, the City is hereby authorized to aggregate in accordance with Section 4928.20, Ohio Revised Code, the retail electrical loads located within the City, and, for that purpose, to enter into service agreements to facilitate for those loads the sale and purchase of electricity. The City may exercise such authority jointly with any other municipal corporation, township or county or other political subdivision of the State of Ohio to the full extent permitted by law. The aggregation will occur automatically for each person owning, occupying, controlling, or using an electric load center proposed to be aggregated and will provide for the opt-out rights described in Section 3 of this Ordinance.

**SECTION 2.** The Board of Elections of Summit County is hereby directed to submit the following question to the electors of the City at the general election on November 7, 2000:

Shall the City of Barberton have the authority to aggregate the retail electric loads located in the City, and for that purpose, enter into service agreements to facilitate for those loads the sale and purchase of electricity, such aggregation to occur automatically except where any person elects to opt out?

## City of Barberton Exhibit A-2 "Authorizing Ordinance"

The Clerk of this Council is instructed immediately to file a certified copy of this Ordinance and the proposed form of the ballot question with the County Board of Elections not less than seventy-five (75) days prior to November 7, 2000. The Aggregation Program shall not take effect unless approved by a majority of the electors voting upon this Ordinance and the Aggregation Program provided for herein at the election held pursuant to this Section 2 and Section 4928.20, Ohio Revised Code.

**SECTION 3.** Upon approval of a majority of the electors voting at the general election provided for in Section 2 of this Ordinance, this Council individually or jointly with any other political subdivision, may develop a plan of operation and governance for the Aggregation Program. Before adopting such plan, this Council shall hold at least two public hearings on the plan. Before the first hearing, notice of the hearings shall be published once a week for two consecutive weeks in a newspaper of general circulation in the City. The notice shall summarize the plan and state the date, time, and location of each hearing. No plan adopted by this Council shall aggregate the electrical load of any electric load center within the City unless it in advance clearly discloses to the person owning, occupying, controlling, or using the load center that the person will be enrolled automatically in the Aggregation Program and will remain so enrolled unless the person affirmatively elects by a stated procedure not to be so enrolled. The disclosure shall state prominently the rates, charges, and other terms and conditions of enrollment. The stated procedure shall allow any person enrolled in the Aggregation Program the opportunity to opt out of the program every two years, without paying a switching fee. Any such person that opts out of the Aggregation Program pursuant to the stated procedure shall default to the standard service offer provided under division (a) of Section 4928.14 or division (d) of Section 4928.35, Ohio Revised Code until the person chooses an alternative supplier.

**SECTION 4.** That it is hereby found and determined that all formal actions of this Council concerning and relating to the passage of this ordinance were taken in an open meeting of this Council and that all deliberations of this Council and of any of its committees that resulted in such formal action were meetings open to the public in compliance with the law.

**SECTION 5.** This ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, safety, convenience and welfare of the City of Barberton and the inhabitants thereof, and for the further reason that this Ordinance is required to be immediately effective in order to file a certified copy of this Ordinance and the proposed form of the ballot question with the Board of Elections of Summit County not later than seventy-five (75) days prior to the November 7, 2000 election, as provided herein; and provided it receives the necessary votes required by the City Charter, wherefore this Ordinance shall be in full force and effect from and after its passage and approval; otherwise to be in full force and effect from and after the earliest period allowed by law.

## **City of Barberton Electric Power Aggregation Plan of Operation and Governance**

### **I. INTRODUCTION**

Amended Substitute Senate Bill 3 ("S.B. 3") opens Ohio's retail electric market as of January 1, 2001. S.B. 3 authorizes customer choice in the selection of suppliers of retail electric generation and declares electric generation service, aggregation service, power marketing, and power brokering as competitive retail electric services. The legislation gave the Public Utilities Commission of Ohio ("PUCO") authority to adopt rules regarding the development of a competitive retail electric market in Ohio and authority to promulgate rules on governmental aggregation.

Large industrial and commercial consumers with sophisticated electric operations use their size and expertise to obtain lower electric power rates. Individual residential and small commercial consumers are typically unable to obtain significant price reductions since they lack the bargaining power, expertise and the economies of scale enjoyed by larger consumers. Aggregation, the combining of multiple electric loads, provides the benefits of retail electric competition for consumers with lower electric demands.

Government aggregation, the combining of multiple electric loads by a municipality, provides the means through which Barberton Residential and Small Commercial consumers may obtain the economic benefits of Ohio's competitive retail electric market. The Barberton Aggregation Program combines the electric loads of Residential and Small Commercial customers to form a buying group ("Aggregation Group"). The City of Barberton will act as Purchasing Agent for the Aggregation Group. This means that Barberton will be a Governmental Aggregator, as defined by Ohio law and the rules established by the PUCO, and shall act on behalf of Ohio Edison (OE) customers in the City to obtain the best electric generation rate for consumers who participate in the Aggregation Group.

### **II. PROCESS**

On November 7, 2000, Barberton voters approved the development of a form of government electric aggregation known as "opt-out" aggregation. Under the opt-out program, all OE Residential and Small Commercial customers in the City are automatically included as participants in the program unless they opt-out of the program by providing written notice of their intention not to participate. As required by state law, the City Council passed an Ordinance, which authorized submitting the selection of opt-out aggregation to the City's voters.

In addition to obtaining necessary City Council approvals, the City is also required

to comply with various PUCO regulations. The City will file an application with the PUCO for certification as a Government Aggregator as soon as the City Council Approves the Plan, on or about March 20, 2001. As required by the regulations, the City developed this Aggregation Plan of Operation and Governance ("Plan"). On March 1, 2001, and March 8, 2001, the City advertised the Public hearing dates to discuss the Plan in the Barberton Herald. As required by the PUCO's regulations, two hearings were conducted on March 12 and 19, 2001. The Opt-out notice for the City's Program will be sent to all electric customers in the City upon approval of this Plan, setting forth the rates, terms and conditions of the program, and giving 21 days to opt out of the Program.

By vote of the City Council of Barberton on February 27, 2001 the City selected FirstEnergy Services, Inc. (FES), a subsidiary of FirstEnergy Corp., as its Retail Electric Generation Provider, to provide the electric power for the Barberton Aggregation Program at this time. Under this program, Ohio Edison (OE) will still deliver the electricity purchased from the City's provider, FES, to customers, customers will receive only one bill (from OE), and all metering, repairs and emergency service will continue to be provided by OE.

### III. DEFINITIONS

In order to clarify certain terminology, the following terms shall have the meanings set forth below:

"Aggregation Program" means the program developed by the City of Barberton, as a Government Aggregator under Section 4928.20 Ohio Revised Code, to provide OE customers in the City with retail electric generation services.

"Government Aggregator" means the City and its legislative authority acting as an aggregator for the provision of a competitive retail electric service under the authority conferred under Section 4928.20 of the Ohio Revised Code.

"Member" means a person enrolled in the Barberton government Aggregation Group for competitive retail electric services.

"Retail Electric Generation Provider" ("Provider") means an entity certified by the Public Utilities Commission of Ohio ("PUCO") to provide competitive retail electric service(s), and which is chosen by the City to be the entity responsible to provide the required service related to "Government Aggregation" as defined in Section 4928.20 of the Ohio Revised Code and applicable provisions of the rules of the PUCO.

"Competitive Retail Electric Service" ("CRES") means a component of electric retail service that is deemed competitive pursuant to the Ohio Revised Code or pursuant to an order of the PUCO.

IV. OPERATIONAL PLAN:

A. Aggregation Services

1. Provider: Barberton will use a contractor ("Retail Electric Generation Provider") to perform and manage aggregation services for its Members. The City has selected FES to be its Provider at this time. The Provider shall provide adequate, accurate, and understandable pricing terms and conditions of service, including any switching fees and the conditions under which a Member may rescind a contract without penalty. The Provider must provide the City, if requested, an electronic file containing the Members usage, and charges. The Provider must have a local Barberton phone number or a toll free number for Members to call.

2. Database: The Retail Electric Generation Provider will build and maintain a database of all Members. The database will include the name, address, Ohio Edison account number, and Retail Electric Generation Provider's account number of the Member, and other pertinent information such as rate code, rider code (if applicable), most recent 12 months of usage and demand, and meter read cycle. This database will be updated at least quarterly. Accordingly, the Retail Electric Generation Provider will develop a process to be implemented that will be able to accommodate at a minimum Members who (i) leave the program due to relocation, opting out, etc. (ii) decide to enter the Program; (iii) relocate within the City, and (iv) move into the City and desire to enter the Program. This database shall also be capable of eliminating PIPP customers from the Program, should that be necessary, and those who have opted out. The Retail Electric Generation Provider will use this database to perform bill audits for clerical and mathematical accuracy of Member bills.

3. Member Education: The Retail Electric Generation Provider will develop, with the assistance of the City, an educational program that generally explains the Aggregation Program to Members, provides updates and disclosures mandated by Ohio law and PUCO rules, and implements a process to deal with allowing any person enrolled in the Aggregation Program the opportunity to opt out of the program at least every two years, without paying a switching fee to the City or the Provider. See Appendix A for a detailed description of the Education Process.

4. Customer Service: The Retail Electric Generation Provider will develop and administer a customer service process, that at a minimum will be able to accommodate (i) Member inquiries and complaints about billing; and (ii) answer questions regarding the program in general. This process will include at a minimum a description of how telephone inquiries will be handled, either internally or externally, how invoices will be prepared, how remittance of payment will be dealt with, and how collections for delinquent accounts will be addressed. See Appendix B for a detailed description of the Customer Service Plan.

6. Billing: Barberton will use the Retail Electric Generation Provider, or it's designated agent, to provide billing services to each Member for the Competitive Retail Electric Services, with no additional administrative fee. At this time, Ohio Edison will

render the billing statement, which should be consistent with all applicable guidelines issued by the PUCO. As this market develops, Barberton may, at its option and in consultation with the Provider, change this function to the Retail Electric Generation Provider or a billing agency.

7. Compliance Process: The Retail Electric Generation Provider will develop internal controls and processes to ensure that the City remains in good standing as a Government Aggregator that complies with all laws, rules and regulations surrounding the same, as they may be amended from time to time. It will be the Retail Electric Generation Provider's responsibility to deliver periodic reports that will include at a minimum (i) the number of Members participating in the Program; and (ii) a savings estimate or increase from the previous year's baseline. The Retail Electric Generation Provider will also develop a process to monitor and provide notification of any changes in laws, rules or regulations.

8. Notification to Ohio Edison: The City's OE consumers that do not opt-out of the City's Aggregation Group will be enrolled automatically in the Aggregation Program. Participants in the City's Aggregation Group will not be asked to take other affirmative steps in order to be included in the Group. To the extent that OE requires notification of participation, the City will coordinate with its Provider to provide such notice to OE. The Provider will inform OE of any individuals who may have been permitted to join the Aggregation Group after the expiration of the enrollment period.

B. Power Supply Agreement

The Power Supply Agreement will provide for the Provider to serve the City's Government Aggregation Group. Under the Agreement, the term for power supply to Members will be for four years from the beginning of service.

C. Barberton' Retail Electric Generation Provider - FirstEnergy Services, Inc. (FES)

FES satisfies each of the following requirements:

- Has sufficient sources of power to provide retail firm power to the residents of Barberton.
- Is a licensed Federal Power Marketer with the Federal Energy Regulatory Commission.
- Is certified as a CRES by the PUCO.
- Is registered as a generation supplier with OE.
- Has a Service Agreement for Network Integration Transmission Service under FirstEnergy's Open Access Transmission Tariff.
- Has a Service Agreement under FirstEnergy's Market-based Rate Tariff.
- Has the corporate structure to sell retail firm power to the OE customers in the City.
- Its Electronic Data Interchange computer network is fully functional and capable of handling the OE retail electric customers in Barberton.
- Has the marketing ability to reach all OE retail electric customers to educate them on the City's Aggregation Program.

- Has a call center capable of handling the City's Aggregation Group customer calls.
- Has a toll-free number as required by the PUCO for customer service and complaints related to the City's aggregation program.
- Will hold the City financially harmless from any financial obligations arising from supplying power to the OE retail electric customers in the City.
- Satisfies the State of Ohio's, FirstEnergy's and the City's credit requirements.
- Will execute the Power Supply Agreement.
- Will assist the City in filing the annual reports required by the PUCO and Section 480S.10(A), Section 4911.18(A) and Section 4928.06(F) of the Ohio Revised Code.
- Will assist the City in developing a Consumer Education Plan.

D. Activation of Service

After a notice is sent out to all electric customers in the City providing 21 days to opt out of the Program, all customers who do not opt out will be automatically enrolled in the Program. Generation service activation will occur thereafter without consumer action beginning on the customer's normal meter read date within the month when power deliveries begin under the Aggregation Program.

E. Changes, Extension or Renewal of Service

The current Agreement for power supply service with FES will provide service for three years beginning upon activation of service. If the Agreement is extended or renewed, Members will be notified as required by law and the rules of the PUCO as to any change in rates or service conditions. At least every three years all OE customers in the City will be given an opportunity to opt into or out of the Program, and reasonable notice will be provided as required by law and PUCO rules. Participants will also be notified of their right to select an alternate generation supplier and of their ability to return to OE's Standard Service Offer.

F. Termination of Service

In the event that the Power Supply Agreement is terminated prior to the end of the term, each individual Member of the Aggregation Group will receive written notification of the termination of the Program at least sixty (60) days prior to termination of service. If the Agreement is not extended or renewed, Members will be notified as required by law and the CRES rules of the PUCO in advance of the end of service. Members will also be notified of their right to select an alternate generation supplier and of their ability to return to OE's Standard Service Offer upon termination.

G. Opt-In Procedures

OE customers will be automatically enrolled in the Program after a 21 day opt out period, unless they return the postcard to be provided, notifying the Provider that they do not want to participate. OE consumers in the City may request to join the Aggregation

Group after the expiration of the enrollment period by contacting the Provider, who shall determine whether to accept them into the Program, and at what rate, subject to written policies mutually agreed upon by the City and the Provider. The agreed upon policy shall be consistent with OE's service activation requirements. Aggregation Group participants who move from one location to another within the corporate limits of the City shall retain their participant status.

H. Opt-out Procedures

OE consumers may opt-out of the City's Aggregation Group at any time during the opt-out period without additional fees charged by the Provider or the City. Switching to a different generation supplier on the next meter read date, however, will occur when the next meter read date is twelve (12) business days or more from the date of the consumer's notice of intent to opt-out of the Aggregation Group. Notification of intent to opt-out of the Aggregation Group may be made by contacting the Provider by telephone or in writing. Consumers who opt-out of the Aggregation Group will default to OE's Standard Service Offer, until the consumer selects an alternate generation supplier.

I. Rates

Through the efforts of its consultant, Independent Energy Consultants, the City will seek proposals from CRES suppliers. The request for proposals shall require the suppliers to offer a generation charge for firm, full-requirements supply. CRES Providers will bid by the respective EDC customer rate classification or customer class. CRES Providers will be encouraged to bid on as many electric accounts as possible. It is recognized that from a practical standpoint and per PUCO rules, it is not likely that bids will be received for larger commercial and industrial accounts. Furthermore, a CRES Provider may not be able to beat the EDCs tariff rates for all customer classes and/or rate schedules. The prices to be charged to Members in the Program will be set by City officials after negotiations with the selected CRES Supplier. Members will be notified of the rates and terms of the Program through a direct mailing sent to each eligible resident and business within the City limits. Once offers are found a table similar to the one shown below will be populated to reflect the offer rates.

<b>Ohio Edison/CEI Rate Schedules</b>	<b>CRES Supplier Offer</b>
RS – Residential Service	\$0.0517/kWh through May 2021
GS – General Service	\$0.0517/kWh through May 2021

J. Other Costs

Commercial Government Aggregation Members will be required by OE to pay a one-time \$5.00 switching fee. This fee will be assessed on the commercial consumer on the first bill following the switch to the Provider. Neither the City nor the Provider will be responsible for paying the switching fee. The switching fee for the Residential members will be paid by the Provider.

K. Universal Service and Low Income Customer Assistance

The Ohio Department of Development (ODOD), under the electric restructuring law, will provide one-stop shopping for low-income assistance programs. There are five low-income assistance programs: 1) Percentage of Income Payment Plan (PIPP); 2) the Home Energy Assistance Program; 3) the Home Weatherization Assistance Program; 4) the Ohio Energy Credit Program; and 5) the Targeted Energy Efficiency and Weatherization Program. Ohio law allows the Director of the Ohio Department of Development to aggregate consumers that participate in PIPP and to competitively auction the generation supply for PIPP customers. Accordingly, PIPP customers may be included in the State's PIPP customer aggregation. To the extent permitted by Ohio law and the PUCO, PIPP customers will be included in the City's aggregation unless they choose to opt out.

V. MISCELLANEOUS GOVERNANCE GUIDELINES

- A. City Council shall approve through Resolution or Ordinance the Plan of Operation and Governance for the Aggregation program and any Amendments thereto.
- B. The City shall contract with only Retail Electric Generation Providers certified by the Public Utilities Commission of Ohio for the provision of Competitive Retail Electric Service to the Aggregation Program Members.
- C. The City will require any Provider to disclose any subcontractors that it uses in fulfillment of the services described above.
- D. The City will require the Provider to maintain either a toll free telephone number, or a telephone number that is local to City residents who are Members.
- E. All costs of the Aggregation Program development/administration will be paid either through the general fund and/or through the inclusion of a percentage adder that will be added to Member bills.

VI. LIABILITY

THE CITY SHALL NOT BE LIABLE TO PARTICIPANTS IN THE AGGREGATION GROUP FOR ANY CLAIMS, HOWEVER STYLED, ARISING OUT OF THE AGGREGATION PROGRAM OR THE PROVISION OF AGGREGATION SERVICES BY THE CITY OR THE PROVIDER. PARTICIPANTS IN THE AGGREGATION GROUP SHALL ASSERT ANY SUCH CLAIMS SOLELY AGAINST THE PROVIDER PURSUANT TO THE POWER SUPPLY AGREEMENT, UNDER WHICH SUCH PARTICIPANTS ARE EXPRESS THIRD-PARTY BENEFICIARIES.

VII. INFORMATION AND COMPLAINT NUMBERS

Copies of this Plan are available from the City of Barberton free of charge. Call the Mayor's Office at 330-848-6719 for a copy or for more information.

**Any electric customer, including any participant in the City's Aggregation Program, may contact the Public Utilities Commission of Ohio (PUCO) for information, or to make a complaint against the Program, the Provider or OE. The PUCO may be reached toll free at 1-800-686-7826.**

## **Appendix A -- Education Process**

The Provider will develop the educational program in conjunction with the City. Its purpose will be to explain the aggregation program to its members, provide updates and disclosures as mandated by State law and the rules of the PUCO, and provide the opportunity for the members to opt out of the program. The following are the program components:

1. Each resident within the limits of the City will receive via U.S. Mail, notification from the Mayor of the aggregation program. This letter will alert residents that the opt-out form will follow within a week and give them a brief introduction to the aggregation program. See Attached letter marked #1
2. Each residence within the limits of the City will receive via U.S. Mail notification of: what government aggregation means, their membership in the government aggregation program, the procedure which must be followed in order to opt out of the program, the price that they can expect to receive as a member of the program, a list of frequently asked questions and the deadline for returning the opt out form. See the attached letter marked #2.
3. The Provider will work with the City to provide opportunities for educating residents in the City about the Program and consumer rights under the law, PUCO rules and this Program. In addition, the Provider and City will work to provide education about and other opportunities for energy efficiency measures to help consumers reduce energy consumption.
4. The Provider will provide updates and disclosures as mandated by State law and rules of the PUCO. See attached Terms and Conditions document.
5. The opt-out opportunity will be provided to the members of the program at least every two. years. Should conditions, suppliers, price, or any other component of the program change within the two-year period, participants will be given a notice of their opportunity to opt out of, or into the program.

## **Appendix B**                      **Customer Service Plan**

### **A.     Member Access:**

1.       FES shall ensure Members reasonable access to its service representatives to make inquiries and complaints, discuss charges on Member bills, and transact any other business.
2.       Telephone access shall be toll free and afford Members prompt answer times during normal business hours, as follows:

**FirstEnergy Services Corp.**  
**341 White Pond Drive, 8-3**  
**Akron, Ohio 44320**  
**Toll-free telephone number: 1-888-254-6539**  
**Hours: M-F, 8:00 a.m.- 5:00 p.m.**

3.       FES shall provide a 24-hour automated telephone message instructing callers to report any service interruptions or electrical emergencies to Ohio Edison.

### **B.     Member Complaints:**

1.       FES shall investigate Member complaints (including Member complaints referred by Ohio Edison) and provide a status report within five calendar days following receipt of the complaint to:
  - a.       The consumer, when the complaint is made directly to FES; or
  - b.       The consumer and The Public Utilities Commission of Ohio Staff ("Commission Staff"), when a complaint is referred to FES by the Commission Staff.
2.       If an investigation is not completed within 14 calendar days, FES shall provide status reports to the consumer and the City, or if applicable, to the consumer, the City and the Commission Staff. Such status reports shall be provided at five-day intervals until the investigation is complete, unless the action that must be taken will require more than five days and the Member has been so notified.
3.       FES shall inform the consumer, or the consumer, the City and Commission Staff, of the results of the investigation, orally or in writing, no later than five calendar days after completion of the investigation. The consumer, the City, or Commission Staff may request the report in writing.
4.       If a Residential and Small Commercial consumer disputes the FES report, FES shall inform the consumer that the Commission Staff is available to help resolve informal complaints. FES shall provide the consumer with the current

address, local/toll free telephone numbers, and TDDmV telephone numbers of the Commission's consumer services department.

5. FES shall retain records of Member complaints, investigations, and complaint resolutions for one year after the occurrence of such complaints, and shall provide such records to the commission staff within five calendar days of request.

6. FES shall make good faith efforts to resolve disputes.

C. Member Billing and Payments

1. FES shall arrange for Ohio Edison or its agent to bill Members for such services according to a tariff approved by the commission. Residential and Small Commercial Member bills issued by or for FES shall be accurate and understandable, be rendered at intervals consistent with those of Ohio Edison, and contain sufficient information for Members to compute and compare the total cost of competitive retail electric service (s). Such bills shall also include:
  - a. The Member's name, billing address, service address, the Member's EDU account number, and if applicable, FES account number;
  - b. The dates of service covered by the bill, an itemization of each type of competitive service covered by the bill, any related billing components, the charge for each type of service, and any other information the Member would need to recalculate the bill for accuracy;
  - c. The applicable billing determinants, including beginning meter reading, ending meter reading(s), demand meter reading(s), multipliers, consumption(s), and demands;
  - d. For Member-generators with net metering contracts, a statement of the net metered generation;
  - e. The unit price per kWh charged for competitive service, as calculated by dividing current-period competitive service charges by the current-period consumption;
  - f. An identification of the provider of each service appearing on the bill;
  - g. The amount billed for the current period, any unpaid amounts due from previous periods, any payments or credits applied to the Member's account during the current period, any late payment charges or gross and net charges, if applicable, and the total amount due and payable.
2. The due date for payment to keep the account current. Such due date shall be no less than:
  - a. Fourteen days after the postmark date on the bill for residential Member; and Twenty-one days after the postmark date or the bill for nonresidential Members;
  - b. Current balance of the account, if a residential Member is billed according to a budget plan;

- c. Options and instructions on how Members may make their payments;
  - d. For each provider whose charges appear on the bill, a listing of the provider's toll-free telephone number and address for Member billing questions or complaints;
  - e. A listing of the toll-free consumer assistance telephone numbers and available hours for applicable state agencies, such as the commission, the Ohio Consumers' Counsel, and the Ohio Attorney General's office;
  - f. The Ohio Edison 24-hour local/toll-free telephone number for reporting service emergencies;
  - g. Identification of estimated bills or bills not based upon actual end-of-period meter readings for the period; and
  - h. An explanation of any codes and abbreviations used.
- 3. If applicable, FES will, upon request, provide Members with the name and street address location of the nearest payment center and/or authorized payment agent.
  - 4. If applicable, when a Member pays the bill at a payment center or to an authorized payment agent, such payment shall be credited to the Member's account as of the day such payment center or agent receives it.
  - 5. The City and FES shall establish policies and procedures for handling billing disputes and requests for payment arrangements.

D. Collections for delinquent accounts:

- 1. Collections for delinquent accounts shall be the responsibility of FES or its agent.
- 2. The City shall approve the Collections process utilized by FES.
- 3. Failure of Members to pay charges for Competitive Retail Electric Services may result in loss of those products and service; and
- 4. Failure to pay charges for Competitive Retail Electric Services may result in cancellation of the Member's contract with FES, and return the Member to Ohio Edison's Standard Offer.

Electric Aggregation Enrollment Notification

Dear Resident or Small Business,

Welcome to your community’s electric aggregation program which provides you with exclusive pricing on the electric generation portion of your electric bill. This is possible through governmental aggregation, a community purchasing program where community officials use group buying power to purchase electricity from a retail electric generation supplier certified by the Public Utilities Commission of Ohio. This program was approved by voters in your community in November 2000.

How You Benefit

By participating in this aggregation program, you will receive the following exclusive pricing on your electric generation:

	Your Electric Utility	Fixed Price	Term End	Early Termination Fee
Residential	Ohio Edison	5.17 cents per kWh	May 2021	None
Small Business	Ohio Edison	5.17 cents per kWh	May 2021	None

FirstEnergy Solutions, a subsidiary of FirstEnergy Corp., has been selected by your community to provide your electric generation. If you’re not already participating, this is your chance to join. If you’re already participating, this is your opportunity to continue the benefits of the program.

Same Reliable Service

Your electric utility will continue to maintain the system that delivers power to your home or business – no new poles or wires will be built by FirstEnergy Solutions. You will continue to receive a single, easy-to-read bill from your local electric utility with your FirstEnergy Solutions charges included. There is no cost for enrollment, you will not be charged a switching fee, and **you do not need to do anything to participate.**

Enrollment Information

If you are not currently receiving electric generation from FirstEnergy Solutions, your electric utility will send you a letter confirming your selection of FirstEnergy Solutions as your electric generation provider. As required by law, this letter will inform you of your option to cancel your contract with FirstEnergy Solutions within seven days of its postmark. To become a member of the community’s electric governmental aggregation program, you don’t need to take any action when this letter arrives. If you are currently enrolled in the community’s aggregation program, you will not receive a letter from your electric utility.

Opt-Out Information

If you are a new member of the program, your future bills will reflect the electric price listed above from FirstEnergy Solutions after your enrollment has been completed and your switch has been finalized – approximately 30-45 days, depending upon your meter read date. Of course, you are not obligated to participate in the community’s electric governmental aggregation program. If you do not want to participate in your community program, you have until the opt-out deadline to return the attached “opt-out” form below. If you do not opt out at this time and leave the program at a later date, you might not be served under the same rates or terms and conditions that apply to other customers served by your utility. Once enrolled, you will receive a notice at least every three years asking if you wish to remain in the program. If you leave the program at any other time, you could be subject to the early termination fee listed above.

Please refer to the enclosed Terms and Conditions and FAQs for more information. Your community has selected FirstEnergy Solutions to handle questions regarding your community-approved electric aggregation program. If you have any questions, please call FirstEnergy Solutions toll-free at 1-866-636-3749, Monday through Friday, 8 a.m. to 5 p.m.

Sincerely,

City of Barberton

## Electric Governmental Aggregation Program FAQs v.1.18

### **How is my community able to choose a certified electric generation supplier on my behalf?**

Under governmental aggregation, local officials bring citizens together to gain group buying power for the purchase of competitively priced electricity from a retail electric generation supplier certified by the Public Utilities Commission of Ohio (PUCO). Residents voted to allow the community to contract for an electric generation supplier on their behalf.

### **What do I need to do if I *want* to be included in this governmental aggregation?**

You do not need to do anything to receive the discounted generation pricing under this program. You may choose to remain in the aggregation group by simply not returning the opt-out form.

### **Is my price for power fixed, or does it vary?**

The information in your letter states if your price is fixed, variable, or variable based on a tiered pricing structure. Your community decided on a fixed pricing structure. Your price will remain the same each month for the length of your Agreement.

### **How will I know if I can save money under the electric governmental aggregation program?**

You’ll know you are saving money as long as your price with FirstEnergy Solutions is lower than your utility’s Price to Compare (PTC).

### **If I am already a member of this program, why am I receiving this letter?**

As a current member of your community’s electric governmental aggregation program, you are given the opportunity to opt out of the program at least every three years at no charge. Your previous contract with FirstEnergy Solutions is coming to an end, and this is your opportunity to either opt out or continue the benefits of the program.

### **What does “opt out” mean?**

“Opt-out” means that you can decide not to participate in your community’s electric governmental aggregation program. By returning the opt-out form, which is included in this mailing, by the Opt-Out Deadline you will not be enrolled as an electric generation customer with FirstEnergy Solutions, your community’s competitive electric generation supplier, and you will not receive the discount.

### **What happens if I do not send in the opt-out form?**

If you do not return the opt-out form by the Opt-Out Deadline, you will be included in your community’s governmental aggregation program and will receive competitively priced electricity from FirstEnergy Solutions.

### **Can I opt out over the phone?**

No, if you want to opt out, you must mail in your completed opt-out form and it must be received by the Opt-Out Deadline.

### **Can I opt out of the program at a later date?**

Yes, you may leave the aggregation program at any time.

### **What are my energy supply choices if I decide to opt out?**

You can stay with your current electric utility, which will continue to supply your electric generation as it always has, or you can shop for an alternative generation supplier. A list of competitive electric suppliers certified by the PUCO and their current prices are available by calling 1-800-686-PUCO (1-800-686-7826).

### **If I join the aggregation, will FirstEnergy Solutions continue to budget bill my supplier charges?**

Yes. Toledo Edison, The Illuminating Company, Ohio Edison and Duke Energy include supplier charges in the monthly budgeted amount. Budget billing supplier charges is limited in AEP Ohio’s and DP&L’s service areas. Please call 1-866-636-3749, if you have questions regarding budget billing in your area.

### **Can I still have my payment automatically deducted from my checking account as I do now?**

Yes. How you pay your electric bill will not change.

### **If I join my community’s governmental aggregation program, who will deliver my power, read my meter and respond to emergencies, such as power outages?**

Your electric utility will still be responsible for delivering power to your home or business, reading your meter and restoring power after an outage.

### **Who is FirstEnergy Solutions?**

FirstEnergy Solutions, a subsidiary of FirstEnergy Corp., is a leading competitive supplier of energy to residential, commercial and industrial customers in Ohio, Pennsylvania, New Jersey, Maryland, Illinois and Michigan.

### **What is the toll-free number for questions?**

If you have any questions, please call 1-866-636-3749, Monday through Friday, 8 a.m. to 5 p.m.

## Residential and Small Commercial - Terms and Conditions

Governmental Aggregation Product	<b>Fixed Price</b>
Electric Distribution Utility ("EDU")	<b>Ohio Edison Company</b>
Price and Length of Agreement	<b>5.17 ¢/kWh through your May 2021 meter read</b>
Cancellation/Termination Fee	<b>None</b>

These Terms and Conditions apply to you because you are enrolling for electric generation service with FirstEnergy Solutions Corp. ("FES") through either (a) affirmative consent or (b) not opting out of your community aggregation program. If you enroll by affirmative consent, these Terms and Conditions and the enrollment information on the website are your Agreement ("Agreement"). If you choose to remain in the community aggregation program by not "opting-out" or exercising the right of rescission, these Terms and Conditions and your opt-out notification are your Agreement. Please keep a copy of this Agreement for your records.

FES is certified by the Public Utilities Commission of Ohio ("PUCO") to offer and supply electric generation services in Ohio. As a Competitive Retail Electric Service ("CRES") provider, FES will supply the electric generation to your EDU based on your usage. Your EDU then distributes or delivers the electricity to you. FES sets the generation prices and charges that the customers pay. The PUCO regulates distribution prices and services. The Federal Energy Regulatory Commission ("FERC") regulates transmission prices and services.

**Definitions:** *Generation Charge* – Charge for the production of electricity. *Transmission Charge* – Charge for moving high voltage electricity from a generation facility to the distribution lines of the EDU. *Distribution Service* – Physical delivery of electricity to customers by the EDU.

**Right of Rescission:** If you do not opt-out or you give your affirmative consent and are enrolled to receive generation service from FES, your EDU will send you a confirmation notice of transfer of service. You will have the right to rescind your enrollment within seven (7) calendar days following the postmark date of the confirmation notice by following the instructions contained in the notice. The Right of Rescission only applies when a customer switches to a generation supplier and not on renewal enrollments. Your EDU will not send a confirmation notice upon any renewal of this Agreement. Should you choose to opt-out of your community's program, you will be served by your EDU's standard service offer established pursuant to section 4928.14 of the Ohio Revised Code ("ORC") unless you choose an alternate supplier of electricity.

**Eligibility:** Only eligible residential customer accounts not enrolled in the Percentage of Income Plan Program ("PIPP") and eligible small commercial customers may enroll in this offer from FES. FES reserves the right to refuse enrollment to any customer with an outstanding electric bill balance.

**Basic Service Prices:** During the term of this Agreement, you agree to pay FES a price indicated in the table above for a total combined Transmission, Generation and Generation Related Charge ("Retail Electric Service"). Your Price to Compare ("PTC") consists of bypassable transmission, generation and transmission and generation related components, which are charges associated with the costs of purchased power and the cost to deliver the power through the transmission system. These are the charges that you would avoid for that billing period when you switch to FES. In addition to FES' charges, you will be charged by your EDU for distribution and various other charges. Your price may also include a fee assessed by a broker or agent representing your community.

**Length of Agreement:** As a part of your community's program, your Retail Electric Service from FES will start on your next available meter read after processing of the enrollment by your EDU, and continue through the term indicated in the table above. The program may be terminated prior to the term pursuant to the terms of the master agreement between FES and your community for the aggregation program. Should the program be terminated, you will be returned to your EDU's standard service offer or its successor. In the event that any change in any statute, rule, regulation, order, law, or tariff promulgated by any court, governmental authority, utility, Independent System Operator ("ISO"), Regional Transmission Organization ("RTO") or other service provider, or any change in operating procedure, alters to the detriment of FES its costs to perform under this Agreement, you may receive a notification from FES. This notification will include a description of one or more of the situations described above. FES may offer you new Terms and Conditions. You must indicate your affirmative consent to the new Terms and Conditions as specified in the notices. If you do not contact FES to accept the new terms, this Agreement will terminate on the date specified in the notices, and you may be returned to your EDU for Retail Electric Service. Alternatively, FES may decide to terminate this Agreement, and you will receive prior written notice of the termination, after which you may be returned to your EDU for Retail Electric Service. Whether FES offers you new terms or terminates this Agreement under this provision, you will not be responsible for the cancellation/termination fee (if any) set forth in the table above. You must still pay all FES charges through the date you are returned to your EDU or switched to another CRES provider for service.

**Billing:** You will continue to receive a single bill from your EDU that will contain both your EDU and FES charges. FES reserves the right to unilaterally modify this billing format in the event your EDU is unable or unwilling to provide consolidated billing in this format or changes the calculation of the PTC. If you do not pay your bill by the due date, FES may cancel this Agreement after giving you a minimum of fourteen (14) days written notice. Upon cancellation you will be returned to your EDU as a customer. You will remain responsible to pay FES for any electricity used before this Agreement is cancelled, as well as any late payment charges. If you have 12 months of billing history and you are enrolled in budget billing with the EDU, you can enroll in a budget billing program once per year. At the end of the contract term, you are responsible for payment of any outstanding balance upon final contract true up. FES reserves the right to adjust your monthly budget amount prior to final contract true up. If you enroll in budget billing, then choose not to be in the program or if you become two consecutive monthly payments overdue, you will be removed from budget billing, your account will be reconciled, and you will be billed for the outstanding budget balance on your next billing cycle. Failure to pay electric utility charges may result in you being disconnected in accordance with your EDU's tariff.

**Penalties, Fees and Exceptions:** If you do not pay the full amount owed FES by the due date of the bill, FES may charge a 1.5% per month late payment fee.

**Cancellation/Termination Provisions:** You may terminate this Agreement, without penalty, if you move out of the EDU service territory or into an area where FES charges a different price. There may be a Cancellation/Termination Fee indicated in the table above if you terminate this Agreement for any other reason, except as expressly provided herein. Upon termination with FES and return to the standard service offer with your EDU, you may not be served under the same rates, terms, and conditions that apply to other EDU customers.

**Customer Consent and Information Release Authorization:** By choosing not to opt-out of your community's aggregation program, or to affirmatively join it, you understand and agree to the terms and conditions of this Agreement with FES. You authorize FES to obtain information from the EDU that includes, but is not limited to: billing history, payment history, historical and future electricity usage, meter readings, and characteristics of electricity service. FES reserves the sole right to determine if your credit standing is satisfactory before accepting your enrollment request. This Agreement shall be considered executed by FES following acceptance of your enrollment request by FES, the end of the 7-day rescission period, and subsequent acceptance of the enrollment by your EDU.

**Contract Expiration:** At least every three (3) years, you will be given the opportunity to opt-out of your community's aggregation program at no cost. You are responsible for arranging for your electric supply upon termination of this Agreement.

**Dispute Procedures:** Contact FES with any questions concerning the terms of service by phone at 1-888-254-6359 (toll-free) M-F 8:00 am to 5:00 pm EST or in writing at 341 White Pond Drive, Attn: Contract Administration, Akron, OH 44320. Our web address is [www.fes.com](http://www.fes.com). If your complaint is not resolved after you have called your electric supplier and/or your electric utility, or for general utility information, residential and business customers may contact the PUCO for assistance at 1-800-686-7826 (toll free) M-F 8:00 a.m to 5:00 pm EST or at [www.puco.ohio.gov](http://www.puco.ohio.gov). Hearing or speech impaired customers may contact the PUCO via 7-1-1 (Ohio Relay Service). The Ohio Consumers' Counsel ("OCC") represents residential utility customers in matters before the PUCO. The OCC can be contacted at 1-877-742-5622 (toll free) M-F 8:00 am to 5:00 pm EST, or at [www.pickocc.org](http://www.pickocc.org).

**Force Majeure Termination:** FES will make commercially reasonable efforts to provide your electric service, but does not guarantee a continuous supply of electricity. Certain causes and events are out of FES' reasonable control ("Force Majeure Event(s)") and may result in interruptions in service. FES will not be liable for any such interruptions caused by a Force Majeure Event, including but not limited to, acts of God, war, civil disturbance, insurrection, terrorism, fire, flood, earthquake, acts of default of common carriers, strikes, boycotts, unforeseen maintenance, unforeseen shutdowns or deficiencies of sources of supply, inability to access the local distribution utility system, nonperformance by the EDU or other similar circumstances beyond FES' reasonable control.

**Miscellaneous:** You have the right to request from FES, twice within a 12-month period, up to 24 months of payment history, without charge. FES will not release your Social Security number and/or account number(s) without your written consent except for FES' collections and reporting, participating in programs funded by the universal service fund, pursuant to ORC section 4928.54, or assigning a customer's contract to another CRES provider. FES' environmental disclosure statement is available for viewing on our website [www.fes.com](http://www.fes.com). FES will make the required quarterly updates to the statement electronically on our website and will also provide the information upon request. FES may assign its rights to another CRES provider, including any successor, in accordance with the rules and regulations of the PUCO. FES assumes no responsibility or liability for the following items that are the responsibility of the EDU: operation and maintenance of the EDU's electrical system, any interruption of service, termination of service, or deterioration of the EDU's service. In the event of a power outage, you should contact your local EDU. You are responsible for providing FES with accurate account information. If said information is incorrect, FES reserves the right to reprice the applicable account(s) or terminate the Agreement. FES reserves the right to return any customer to the EDU if the customer's rate code is changed and the account is no longer eligible for this program.

**Warranty:** FES warrants title and the right to all electricity sold hereunder. THE WARRANTIES SET FORTH IN THIS PARAGRAPH ARE EXCLUSIVE AND ARE IN LIEU OF ALL OTHER WARRANTIES, WHETHER STATUTORY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR ARISING OUT OF ANY COURSE OF DEALING OR USAGE OF TRADE.

This Agreement shall be considered executed by FES following acceptance of your enrollment request by FES, the end of the 7-day rescission period, and subsequent acceptance of the enrollment by your EDU.

**Contract Expiration:** At least every three (3) years, you will be given the opportunity to opt-out of your community's aggregation program at no cost. You are responsible for arranging for your electric supply upon termination of this Agreement.

**Dispute Procedures:** Contact FES with any questions concerning the terms of service by phone at 1-888-254-6359 (toll-free) M-F 8:00 am to 5:00 pm EST or in writing at 341 White Pond Drive, Attn: Contract Administration, Akron, OH 44320. Our web address is [www.fes.com](http://www.fes.com). If your complaint is not resolved after you have called your electric supplier and/or your electric utility, or for general utility information, residential and business customers may contact the PUCO for assistance at 1-800-686-7826 (toll free) M-F 8:00 a.m to 5:00 pm EST or at [www.puco.ohio.gov](http://www.puco.ohio.gov). Hearing or speech impaired customers may contact the PUCO via 7-1-1 (Ohio Relay Service). The Ohio Consumers' Counsel ("OCC") represents residential utility customers in matters before the PUCO. The OCC can be contacted at 1-877-742-5622 (toll free) M-F 8:00 am to 5:00 pm EST, or at [www.pickocc.org](http://www.pickocc.org).

**Force Majeure Termination:** FES will make commercially reasonable efforts to provide your electric service, but does not guarantee a continuous supply of electricity. Certain causes and events are out of FES' reasonable control ("Force Majeure Event(s)") and may result in interruptions in service. FES will not be liable for any such interruptions caused by a Force Majeure Event, including but not limited to, acts of God, war, civil disturbance, insurrection, terrorism, fire, flood, earthquake, acts of default of common carriers, strikes, boycotts, unforeseen maintenance, unforeseen shutdowns or deficiencies of sources of supply, inability to access the local distribution utility system, nonperformance by the EDU or other similar circumstances beyond FES' reasonable control.

**Miscellaneous:** You have the right to request from FES, twice within a 12-month period, up to 24 months of payment history, without charge. FES will not release your Social Security number and/or account number(s) without your written consent except for FES' collections and reporting, participating in programs funded by the universal service fund, pursuant to ORC section 4928.54, or assigning a customer's contract to another CRES provider. FES' environmental disclosure statement is available for viewing on our website [www.fes.com](http://www.fes.com). FES will make the required quarterly updates to the statement electronically on our website and will also provide the information upon request. FES may assign its rights to another CRES provider, including any successor, in accordance with the rules and regulations of the PUCO. FES assumes no responsibility or liability for the following items that are the responsibility of the EDU: operation and maintenance of the EDU's electrical system, any interruption of service, termination of service, or deterioration of the EDU's service. In the event of a power outage, you should contact your local EDU. You are responsible for providing FES with accurate account information. If said information is incorrect, FES reserves the right to reprice the applicable account(s) or terminate the Agreement. FES reserves the right to return any customer to the EDU if the customer's rate code is changed and the account is no longer eligible for this program.

**Warranty:** FES warrants title and the right to all electricity sold hereunder. THE WARRANTIES SET FORTH IN THIS PARAGRAPH ARE EXCLUSIVE AND ARE IN LIEU OF ALL OTHER WARRANTIES, WHETHER STATUTORY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR ARISING OUT OF ANY COURSE OF DEALING OR USAGE OF TRADE.
