LIST OF ISSUES

The Administrative Law Judge Entry of February 14, 2019, requires that each party file a list of issues citing specific concerns about which they may be interested in pursuing cross examination of witnesses at the evidentiary hearing. At this time, based on the existing case record and the Ohio Power Siting Board's criteria for a certificate application, the Preble County Commissioners have no issues about which it may be interested in pursuing cross-examination of witnesses at the evidentiary hearing. If additional issues arise as the case record is supplemented and intervenor witnesses are identified, the Preble County Commissioners respectfully reserve the right to address these issues.

Respectfully submitted on behalf of
