LIST OF ISSUES

Pursuant to the Administrative Law Judge's Entry of February 14, 2019, each party must file a list of issues citing specific concerns about which they may be interested in pursuing cross-examination of witnesses at the evidentiary hearing. At this time, based on the existing case record and the Ohio Power Siting Board's criteria for a certificate application, the Preble County Engineer has no issues about which he may be interested in pursuing cross-examination of witnesses at the evidentiary hearing. If additional issues arise as the case record is supplemented and intervenor witnesses are identified, the Preble County Engineer respectfully reserves the right to address these issues.
