Dear Ohio Power Siting Board:

I, Rebecca Whetstone am a land owner in Norwich Township in Huron County. I am opposed to the Emerson Creek Wind Farm Project. Life Flight uses this route on its way to Toledo St Vincents Hospital and the Medical College in Toledo as a direct route. My son used this service and I am glad for fast service as he is a survivor. Also there is an active eagle nest in this area one mile from us. Both of these reasons would be jeopardized by the turbines.

Please deny this project:

Sincerely,

Rebecca Whetstone
