Authorizing Ordinance

Village of Walbridge

**ORDINANCE AUTHORIZING ALL ACTIONS NECESSARY TO EFFECT
A GOVERNMENTAL ELECTRICITY AGGREGATION PROGRAM WITH
OPT-OUT PROVISIONS PURSUANT TO SECTION 4928.20, OHIO
REVISED CODE, DIRECTING THE WOOD COUNTY BOARD OF
ELECTIONS TO SUBMIT A BALLOT QUESTION TO THE ELECTORS,
AND DECLARING AN EMERGENCY.**

WHEREAS, the Ohio Legislature has enacted electric deregulation legislation ("Am. Sub. S.B. No. 3") which authorizes the legislative authorities of municipal corporations, townships and counties to aggregate the retail electrical loads located in the respective jurisdictions and to enter into service agreements to facilitate for those loads the purchase and sale of electricity;

WHEREAS, such legislative authorities may exercise such authority jointly with any other legislative authorities;

WHEREAS, governmental aggregation provides an opportunity for residential and small business customers collectively to participate in the potential benefits of electricity deregulation through lower electric rates which they would not otherwise be able to have individually;

WHEREAS, this Council seeks to establish a governmental aggregation program with opt-out provisions pursuant to Section 4928.20, Ohio Revised Code (the "Aggregation Program"), for the residents, businesses and other electric consumers in the Village and in conjunction jointly with any other municipal corporation, township, county or other political subdivision of the State of Ohio, as permitted by law.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE VILLAGE OF WALBRIDGE, WOOD COUNTY, OHIO, THAT:

SECTION 1: This Council finds and determines that it is in the best interest of the Village, its residents, businesses and other electric consumers located within the corporate limits of the Village to establish the Aggregation program in the Village. Provided that this Ordinance and the Aggregation Program is approved by the electors of the Village pursuant to Section 2 of this Ordinance, the Village is hereby authorized to aggregate in accordance with Section 4928.20, Ohio Revised Code, the retail electrical loads located within the Village, and, for that purpose, to enter into service agreements to facilitate for those loads the sale and purchase of electricity. The Village may exercise such authority jointly with any other municipal corporation, township or county or other political subdivision of the State of Ohio to the full extent permitted by law. The electric load center proposed to be aggregated and will provide for the opt-out rights described in Section 3 of this Ordinance.

6

SECTION 2: The Board of Election of Wood County is hereby directed to submit the following question to the electors of the Village at the general election on May 4, 2010.

Shall the Village of Walbridge have the authority to aggregate the retail electric loads located in the Village, and for that purpose, enter into service agreements to facilitate for those loads the sale and purchase of electricity, such aggregation to occur automatically, except where any person elects to opt-out?

The Clerk of this Council is instructed immediately to file a certified copy of this Ordinance and the proposed form of the ballot question with the County Board of Elections not less than seventy-five (75) days prior to May 4, 2010. The Aggregation Program shall not take effect unless approved by a majority of electors voting upon this Ordinance and the Aggregation Program provided for herein at the election held pursuant to this Section 2 and Section 4928.20, Ohio Revised Code.

SECTION 3. Upon approval of a majority of electors voting at the special election provided for in Section 2 of this Ordinance, this Council individually or jointly with any other political subdivision, shall develop a plan of operation and governance for the Aggregation Program. Before adopting such plan, this Council shall hold at least two public hearings on the plan. Before the first hearing, notice of the hearings shall be published one a week for two consecutive weeks in a newspaper of general circulation in the Village. This notice shall summarize the plan and state the date, time, and location of such hearing. No plan adopted by this Council shall aggregate the electrical load of any electric load center within the City unless it in advance clearly discloses to the person owning, occupying, controlling, or using the load center that the person will be enrolled automatically in the Aggregation Program and will remain so enrolled unless the person affirmatively elects by a stated procedure not to be so enrolled. The disclosure shall state prominently the rates, charges, and other terms and conditions of enrollment. The stated procedure shall allow any person enrolled in the Aggregation Program the opportunity to opt out of the Aggregation Program pursuant to the stated procedure shall default to the standard service offer provided under division (a) of Section 4928.14 or division (d) of Section 4928.35, Ohio Revised Code until the person chooses an alternative supplier.

SECTION 4: It is found and determined that all formal actions of Council concerning or relating to the passage of this Ordinance were adopted in an open meeting of the Council, and that all deliberations of this Council and any of its committees, that resulted in such formal actions, were in meetings open to the public in compliance with all legal requirements of the Village of Walbridge and the State of Ohio.

SECTION 5: That this ordinance constitutes an emergency measure necessary for the immediate preservation of the public peace, safety, and welfare of the Village citizens, and for the further reason that this Ordinance is required to be immediately effect in order to file a certified copy of this Ordinance and the proposed form of the ballot question with the Board of Elections of Wood County not later than seventy-five (75) days prior to the May 4, 2010 election, as provided herein; wherefore, this ordinance shall be in full force and effect immediately after its passage.

Plan

Village of Walbridge

ORDINANCE ADOPTING THE PLAN OF OPERATION AND GOVERNANCE FOR THE ELECTRICITY AGGREGATION PROGRAM FOR THE VILLAGE OF WALBRIDGE WITH FIRSTENERGY SOLUTIONS, AND DECLARING AN EMERGENCY.

WHEREAS, Pursuant to Amended Substitute Senate Bill 3 and the vote of the Village's electors at the election in May 2010, the Village of Walbridge had determined to provide for its residents an Electric Power Aggregation Plan under which the Village would act as the purchasing agent to make available electric power at reduced rates on an opt-out basis; and

WHEREAS, the Village of Walbridge has prepared Electric Power Aggregation Plan of Operation and Governance which is on file with the Clerk of Council, and has held two public hearings on the Plan of Operation and Governance on September 1, 2010.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE VILLAGE OF WALBRIDGE, WOOD COUNTY, OHIO:

SECTION 1. This Council hereby adopts and approves an Electric Power Aggregation Plan of Operation and Governance known as the "Village of Walbridge Electric Power Aggregation Plan of Operation and Governance," dated October 6, 2010 a copy of which is on file with the Clerk of Council and which is incorporated herein by reference as if fully rewritten herein.

SECTION 2. Notice of the passage of this Ordinance shall be given by publishing the title and abstract of its contents, prepared by the Director of Law, once in one newspaper of general circulation in the Village of Walbridge.

SECTION 3. It is found and determined that all formal actions of Council concerning or relating to the passage of this Ordinance were adopted in an open meeting of the Council, and that all deliberations of this Council and any of its committees, that resulted in such formal actions, were in meetings open to the public in compliance with all legal requirements of the Village of Walbridge and the State of Ohio.

SECTION 4. That this Ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, safety, convenience and welfare of the Village of Walbridge and the inhabitants thereof, for the further reason that this Ordinance is required to be immediately effective in order to maximize the potential benefits of the aggregation program for the electricity consumers in the Village.

Electric Power Aggregation Plan of Operation and Governance

September 1, 2010

Village of Walbridge Electric Power Aggregation Plan of Operation and Governance

I. INTRODUCTION

Amended Substitute Senate Bill 3 ("S.B. 3") opened Ohio's retail electric market as of January 1, 2001. S.B. 3 authorizes customer choice in the selection of suppliers of retail electric generation and declares electric generation service, aggregation service, power marketing, and power brokering as competitive retail electric services. The legislation gave the Public Utilities Commission of Ohio ("PUCO") authority to adopt rules regarding the development of a competitive retail electric market in Ohio and authority to promulgate rules on governmental aggregation.

Large industrial and commercial consumers with sophisticated electric operations use their size and expertise to obtain lower electric power rates. Individual residential and small commercial consumers are typically unable to obtain significant price reductions since they lack the bargaining power, expertise and the economies of scale enjoyed by larger consumers. Aggregation, the combining of multiple electric loads, provides the benefits of retail electric competition for consumers with lower electric demands.

Government aggregation, the combining of multiple electric loads by a municipality, provides the means through which Walbridge residential consumers may obtain the economic benefits of Ohio's competitive retail electric market. The Walbridge Aggregation Program combines the electric loads of residential customers to form a buying group ("Aggregation Group"). The Village of Walbridge will act as Purchasing Agent for the Aggregation Group. This means that Walbridge will be a Governmental Aggregator, as defined by Ohio law and the rules established by the PUCO, and shall act on behalf of Toledo Edison (TE) customers in the Village to obtain the best electric generation rate for consumers who participate in the Aggregation Group.

II. PROCESS

On May 4, 2010, Walbridge voters approved the development of a form of government electric aggregation known as "opt-out" aggregation. Under the opt-out program, all TE residential and business customers in the Village are automatically included as participants in the program unless they opt-out of the program by providing written notice of their intention not to participate. As required by state law, the Village Council passed an Ordinance, which authorized submitting the selection of opt-out aggregation to the Village's voters.

In addition to obtaining necessary Village Council approvals, the Village is also required to comply with various PUCO regulations. The Village will file an application

with the PUCO for certification as a Government Aggregator as soon as the Village Council Approves the Plan, on or about October 6, 2010. As required by the regulations, the Village developed this Aggregation Plan of Operation and Governance ("Plan"). On August 23, 2010 and August 30, 2010 the Village advertised the Public hearing dates to discuss the Plan in The Press. As required by the PUCO's regulations, two hearings were conducted on September 1, 2010. The Opt-out notice for the Village's Program will be sent to all eligible electric customers in the Village upon approval of this Plan, setting forth the rates, terms and conditions of the program, and giving 21 days to opt out of the Program.

By vote of the Village Council of Walbridge on October 6, 2010 the Village selected FirstEnergy Solutions, Inc. (FES), a subsidiary of FirstEnergy Corp., as its Retail Electric Generation Provider, to provide the electric power for the Walbridge Aggregation Program at this time. Under this program, Toledo Edison (TE) will still deliver the electricity purchased from the Village's provider, FES, to customers, customers will receive only one bill (from TE), and all metering, repairs and emergency service will continue to be provided by TE.

III. DEFINITIONS

In order to clarify certain terminology, the following terms shall have the meanings set forth below:

"Aggregation Program" means the program developed by the Village of Walbridge, as a Government Aggregator under Section 4928.20 Ohio Revised Code, to provide TE customers in the Village with retail electric generation services.

"Government Aggregator" means the Village and its legislative authority acting as an aggregator for the provision of a competitive retail electric service under the authority conferred under Section 4928.20 of the Ohio Revised Code.

"Member" means a person enrolled in the Walbridge government Aggregation Group for competitive retail electric services.

"Retail Electric Generation Provider" ("Provider") means an entity certified by the Public Utilities Commission of Ohio ("PUCO") to provide competitive retail electric service(s), and which is chosen by the Village to be the entity responsible to provide the required service related to "Government Aggregation" as defined in Section 4928.20 of the Ohio Revised Code and applicable provisions of the rules of the PUCO.

"Competitive Retail Electric Service" ("CRES") means a component of electric retail service that is deemed competitive pursuant to the Ohio Revised Code or pursuant to an order of the PUCO.

IV. OPERATIONAL PLAN:

A. Aggregation Services

1. **Provider:** Walbridge will use a contractor ("Retail Electric Generation Provider") to perform and manage aggregation services for its Members. The Village has selected FES to be its Provider at this time. The Provider shall provide adequate, accurate, and understandable pricing terms and conditions of service, including any switching fees and the conditions under which a Member may rescind a contract without penalty. The Provider must provide the Village, if requested, an electronic file containing the Members usage, and charges. The Provider must have a local Akron phone number or a toll free number for Members to call.

2. **Database:** The Retail Electric Generation Provider will build and maintain a database of all Members. The database will include the name, address, Toledo Edison account number, and Retail Electric Generation Provider's account number of the Member, and other pertinent information such as rate code, rider code (if applicable), most recent 12 months of usage and demand, and meter read cycle. This database will be updated at least quarterly. Accordingly, the Retail Electric Generation Provider will develop a process to be implemented that will be able to accommodate at a minimum Members who (i) leave the program due to relocation, opting out, etc. (ii) decide to enter the Program; (iii) relocate within the Village, and (iv) move into the Village and desire to enter the Program. This database shall also be capable of eliminating PIPP customers from the Program, should that be necessary, and those who have opted out. The Retail Electric Generation Provider will use this database to perform bill audits for clerical and mathematical accuracy of Member bills.

3. **Member Education:** The Retail Electric Generation Provider will develop, with the assistance of the Village, an educational program that generally explains the Aggregation Program to Members, provides updates and disclosures mandated by Ohio law and PUCO rules, and implements a process to deal with allowing any person enrolled in the Aggregation Program the opportunity to opt out of the program at least every three years, without paying a switching fee to the Village or the Provider. See Appendix A for a detailed description of the Education Process.

4. **Customer Service:** The Retail Electric Generation Provider will develop and administer a customer service process, that at a minimum will be able to accommodate (i) Member inquiries and complaints about billing; and (ii) answer questions regarding the program in general. This process will include at a minimum a description of how telephone inquiries will be handled, either internally or externally, how invoices will be prepared, how remittance of payment will be dealt with, and how collections for delinquent accounts will be addressed. See Appendix B for a detailed description of the Customer Service Plan.

5. **Billing:** Walbridge will use the Retail Electric Generation Provider, or its designated agent, to provide billing services to each Member for the Competitive Retail Electric Services, with no additional administrative fee. At this time, Toledo Edison will render the billing statement, which should be consistent with all applicable guidelines

issued by the PUCO. As this market develops, Walbridge may, at its option and in consultation with the Provider, change this function to the Retail Electric Generation Provider or a billing agency.

6. **Compliance Process:** The Retail Electric Generation Provider will develop internal controls and processes to ensure that the Village remains in good standing as a Government Aggregator that complies with all laws, rules and regulations surrounding the same, as they may be amended from time to time. It will be the Retail Electric Generation Provider's responsibility to deliver periodic reports that will include at a minimum (i) the number of Members participating in the Program; and (ii) a savings estimate or increase from the previous year's baseline. The Retail Electric Generation Provider will also develop a process to monitor and provide notification of any changes in laws, rules or regulations.

7. **Notification to Toledo Edison:** The Village's TE consumers that do not opt-out of the Village's Aggregation Group will be enrolled automatically in the Aggregation Program. Participants in the Village's Aggregation Group will not be asked to take other affirmative steps in order to be included in the Group. To the extent that TE requires notification of participation, the Village will coordinate with its Provider to provide such notice to TE. The Provider will inform TE of any individuals who may have been permitted to join the Aggregation Group after the expiration of the enrollment period.

B. Power Supply Agreement

The Power Supply Agreement will provide for the Provider to serve the Village's Government Aggregation Group. Under the Agreement, the term for power supply to Members will be for nine years from the beginning of service.

C. Walbridge's Retail Electric Generation Provider - FirstEnergy Solutions, Inc. (FES)

FES satisfies each of the following requirements:

- Has sufficient sources of power to provide retail firm power to the residents of Walbridge.
- Is a licensed Federal Power Marketer with the Federal Energy Regulatory Commission.
- Is certified as a CRES by the PUCO.
- Is registered as a generation supplier with TE.
- Has a Service Agreement for Network Integration Transmission Service under FirstEnergy's Open Access Transmission Tariff.
- Has a Service Agreement under FirstEnergy's Market-based Rate Tariff.
- Has the corporate structure to sell retail firm power to the TE customers in the Village.

- Its Electronic Data Interchange computer network is fully functional and capable of handling the TE retail electric customers in Walbridge.
- Has the marketing ability to reach all TE retail electric customers to educate them on the Village's Aggregation Program.
- Has a call center capable of handling the Village's Aggregation Group customer calls.
- Has a toll-free number as required by the PUCO for customer service and complaints related to the Village's aggregation program.
- Will hold the Village financially harmless from any financial obligations arising from supplying power to the TE retail electric customers in the Village.
- Satisfies the State of Ohio's, FirstEnergy's and the Village's credit requirements.
- Will execute the Power Supply Agreement.
- Will assist the Village in filing the annual reports required by the PUCO and Section 4805.10(A), Section 4911.18(A) and Section 4928.06(F) of the Ohio Revised Code.
- Will assist the Village in developing a Consumer Education Plan.

D. Activation of Service

After a notice is sent out to all electric customers in the Village providing 21 days to opt out of the Program, all customers who do not opt out will be automatically enrolled in the Program. Generation service activation will occur thereafter without consumer action beginning on the customer's normal meter read date within the month when power deliveries begin under the Aggregation Program.

E. Changes, Extension or Renewal of Service

The current Agreement for power supply service with FES will provide service for nine years beginning upon activation of service. If the Agreement is extended or renewed, Members will be notified as required by law and the rules of the PUCO as to any change in rates or service conditions. At least every three years all TE customers in the Village will be given an opportunity to opt into or out of the Program, and reasonable notice will be provided as required by law and PUCO rules. Participants will also be notified of their right to select an alternate generation supplier and of their ability to return to TE's Standard Service Offer.

F. Termination of Service

In the event that the Power Supply Agreement is terminated prior to the end of the term, each individual Member of the Aggregation Group will receive written notification of the termination of the Program at least sixty (60) days prior to termination of service. If the Agreement is not extended or renewed, Members will be notified as required by law and the CRES rules of the PUCO in advance of the end of service. Members will also be notified of their right to select an alternate generation supplier and of their ability to return to TE's Standard Service Offer upon termination.

G. Opt-In Procedures

TE customers will be automatically enrolled in the Program after a 21 day opt out period, unless they return the form to be provided, notifying the Provider that they do not want to participate. TE consumers in the Village may request to join the Aggregation Group after the expiration of the enrollment period by contacting the Provider, who shall determine whether to accept them into the Program, and at what rate, subject to written policies mutually agreed upon by the Village and the Provider. The agreed upon policy shall be consistent with TE's service activation requirements. Aggregation Group participants who move from one location to another within the corporate limits of the Village shall retain their participant status.

H. Opt-out Procedures

TE consumers may opt-out of the Village's Aggregation Group at any time during the opt-out period without additional fees charged by the Provider or the Village. Aggregation Group participants who switch to a different generation supplier after the expiration of the Opt-out period will be allowed to do so in correlation with the consumer's next scheduled meter read date but will be charged a switching fee (\$25 for Residential and \$50 for Small Commercial) to be billed on their final bill from the Provider. Switching to a different generation supplier on the next meter read date, however, will occur when the next meter read date is twelve (12) business days or more from the date of the consumer's notice of intent to opt-out of the Aggregation Group. Notification of intent to opt-out of the Aggregation Group may be made by contacting the Provider by telephone or in writing. Consumers who opt-out of the Aggregation Group will default to TE's Standard Service Offer, until the consumer selects an alternate generation supplier.

I. Rates

July 2010 – July 2019*:

Rate RS – Standard Residential Rate	Rate GS – General Secondary to 399 KWd
2010 – 6% Discount	2010 – 4% Discount
2011 – 6% Discount	2011 – 4% Discount
2012 – 6% Discount	2012 – 4% Discount
2013 – 6% Discount	2013 – 4% Discount
2014 – 6% Discount	2014 – 4% Discount
2015 – 6% Discount	2015 – 4% Discount
2016 – 6% Discount	2016 – 4% Discount
2017 – 6% Discount	2017 – 4% Discount
2018 – 6% Discount	2018 – 4% Discount
July 2019 – 6% Discount	July 2019 – 4% Discount

National accounts (e.g. McDonald's, BP, Dollar General) as well as eligible commercial accounts with annual usage over 700,000 will be offered the discounts in either plan selected but they must "opt-in" to the program.

*For the term referenced above, the generation pricing under this Agreement will be calculated as the specified percentage off the generation, generation related and transmission charge (Rider Gen) as set forth in the EDU's applicable tariff. FES reserves the right to terminate service and return members to standard offer service for the period June 2011 – July 2019 if the EDU standard service offer pricing and or tariff structure is modified. As described above, no discount will be given on transmission and ancillary services if they are identified in a separate tariff approved by the PUCO.

J. Universal Service and Low Income Customer Assistance

The Ohio Department of Development (ODOD), under the electric restructuring law, will provide one-stop shopping for low-income assistance programs. There are five low-income assistance programs: 1) Percentage of Income Payment Plan (PIPP); 2) the Home Energy Assistance Program; 3) the Home Weatherization Assistance Program; 4) the Ohio Energy Credit Program; and 5) the Targeted Energy Efficiency and Weatherization Program. Ohio law allows the Director of the Ohio Department of Development to aggregate consumers that participate in PIPP and to competitively auction the generation supply for PIPP customers. Accordingly, PIPP customers may be included in the State's PIPP customer aggregation. To the extent permitted by Ohio law and the PUCO, PIPP customers will be included in the Village's aggregation unless they choose to opt out.

V. MISCELLANEOUS GOVERNANCE GUIDELINES

- A. Village Council shall approve through Resolution or Ordinance the Plan of Operation and Governance for the Aggregation program and any Amendments thereto.
- B. The Village shall contract with only Retail Electric Generation Providers certified by the Public Utilities Commission of Ohio for the provision of Competitive Retail Electric Service to the Aggregation Program Members.
- C. The Village will require any Provider to disclose any subcontractors that it uses in fulfillment of the services described above.
- D. The Village will require the Provider to maintain either a toll free telephone number, or a telephone number that is local to Village residents who are Members.
- E. All costs of the Aggregation Program development/administration will be paid either through the general fund and/or through the inclusion of a percentage adder that will be added to Member bills.

VI. LIABILITY

THE VILLAGE SHALL NOT BE LIABLE TO PARTICIPANTS IN THE AGGREGATION GROUP FOR ANY CLAIMS, HOWEVER STYLED, ARISING OUT OF THE AGGREGATION PROGRAM OR THE PROVISION OF AGGREGATION SERVICES BY THE VILLAGE OR THE PROVIDER. PARTICIPANTS IN THE AGGREGATION GROUP SHALL ASSERT ANY SUCH CLAIMS SOLELY AGAINST THE PROVIDER PURSUANT TO THE POWER SUPPLY AGREEMENT, UNDER WHICH SUCH PARTICIPANTS ARE EXPRESS THIRD-PARTY BENEFICIARIES.

VII. INFORMATION AND COMPLAINT NUMBERS

Copies of this Plan are available from the Village of Walbridge free of charge. Call the Village Office at 419-666-1830 for a copy or for more information.

Any electric customer, including any participant in the Village's Aggregation Program, may contact the Public Utilities Commission of Ohio (PUCO) for information, or to make a complaint against the Program, the Provider or TE. The PUCO may be reached toll free at 1-800-686-7826.

Appendix A – Education Process

The Provider will develop the educational program in conjunction with the Village. Its purpose will be to explain the aggregation program to its members, provide updates and disclosures as mandated by State law and the rules of the PUCO, and provide the opportunity for the members to opt out of the program. The following are the program components:

1. Each residence within the limits of the Village will receive via U.S. Mail notification of: what government aggregation means, their membership in the government aggregation program, the procedure which must be followed in order to opt out of the program, the price that they can expect to receive as a member of the program, and the deadline for returning the opt out form. See the attached letter.
2. The Provider will work with the Village to provide opportunities for educating residents in the Village about the Program and consumer rights under the law, PUCO rules and this Program. In addition, the Provider and Village will work to provide education about and other opportunities for energy efficiency measures to help consumers reduce energy consumption.
3. The Provider will provide updates and disclosures as mandated by State law and rules of the PUCO.
4. ~~The opt-out opportunity will be provided to the members of the program at least~~ every three years. Should conditions, suppliers, price, or any other component of the program change within the three-year period, participants will be given a notice of their opportunity to opt out of, or into the program.

Appendix B — Customer Service Plan

A. Member Access:

1. FES shall ensure Members reasonable access to its service representatives to make inquiries and complaints, discuss charges on Member bills, and transact any other business.
2. Telephone access shall be toll free and afford Members prompt answer times during normal business hours, as follows:

**FirstEnergy Solutions Corp.
341 White Pond Dr., Bldg B-3
Akron, Ohio 44320
Toll-free telephone number: 1-866-636-3749
Hours: M-F, 8:00 a.m. - 5:00 p.m.**

3. FES shall provide a 24-hour automated telephone message instructing callers to report any service interruptions or electrical emergencies to Toledo Edison.

B. Member Complaints:

1. FES shall investigate Member complaints (including Member complaints referred by Toledo Edison) and provide a status report within five calendar days following receipt of the complaint to:
 - a. The consumer, when the complaint is made directly to FES; or
 - b. The consumer and The Public Utilities Commission of Ohio Staff ("Commission Staff"), when a complaint is referred to FES by the Commission Staff.
2. If an investigation is not completed within 14 calendar days, FES shall provide status reports to the consumer and the Village, or if applicable, to the consumer, the Village and the Commission Staff. Such status reports shall be provided at five-day intervals until the investigation is complete, unless the action that must be taken will require more than five days and the Member has been so notified.
3. FES shall inform the consumer, or the consumer, the Village and Commission Staff, of the results of the investigation, orally or in writing, no later than five calendar days after completion of the investigation. The consumer, the Village, or Commission Staff may request the report in writing.
4. If a residential consumer disputes the FES report, FES shall inform the consumer that the Commission Staff is available to help resolve informal complaints. FES shall provide the consumer with the current address, local/toll

free telephone numbers, and TDD/TTY telephone numbers of the Commission's consumer services department.

5. FES shall retain records of Member complaints, investigations, and complaint resolutions for one year after the occurrence of such complaints, and shall provide such records to the commission staff within five calendar days of request.

6. FES shall make good faith efforts to resolve disputes.

C. Member Billing and Payments

1. FES shall arrange for Toledo Edison or its agent to bill Members for such services according to a tariff approved by the commission. Residential Member bills issued by or for FES shall be accurate and understandable, be rendered at intervals consistent with those of Toledo Edison, and contain sufficient information for Members to compute and compare the total cost of competitive retail electric service (s). Such bills shall also include:
 - a. The Member's name, billing address, service address, the Member's EDU account number, and if applicable, FES account number;
 - b. The dates of service covered by the bill, an itemization of each type of competitive service covered by the bill, any related billing components, the charge for each type of service, and any other information the Member would need to recalculate the bill for accuracy;
 - c. The applicable billing determinants, including beginning meter reading, ending meter reading(s), demand meter reading(s), multipliers, consumption(s), and demands;
 - d. For Member-generators with net metering contracts, a statement of the net metered generation;
 - e. The unit price per kWh charged for competitive service, as calculated by dividing current-period competitive service charges by the current-period consumption;
 - f. An identification of the provider of each service appearing on the bill;
 - g. The amount billed for the current period, any unpaid amounts due from previous periods, any payments or credits applied to the Member's account during the current period, any late payment charges or gross and net charges, if applicable, and the total amount due and payable.
2. The due date for payment to keep the account current. Such due date shall be no less than:
 - a. Fourteen days after the postmark date on the bill for residential Member; and Twenty-one days after the postmark date on the bill for nonresidential Members;
 - b. Current balance of the account, if a residential Member is billed according to a budget plan;
 - c. Options and instructions on how Members may make their payments;

- d. For each provider whose charges appear on the bill, a listing of the provider's toll-free telephone number and address for Member billing questions or complaints;
 - e. A listing of the toll-free consumer assistance telephone numbers and available hours for applicable state agencies, such as the commission, the Ohio Consumers' Counsel, and the Ohio Attorney General's office;
 - f. The Toledo Edison 24-hour local/toll-free telephone number for reporting service emergencies;
 - g. Identification of estimated bills or bills not based upon actual end-of-period meter readings for the period; and
 - h. An explanation of any codes and abbreviations used.
3. If applicable, FES will, upon request, provide Members with the name and street address/location of the nearest payment center and/or authorized payment agent.
 4. If applicable, when a Member pays the bill at a payment center or to an authorized payment agent, such payment shall be credited to the Member's account as of the day such payment center or agent receives it.
 5. The Village and FES shall establish policies and procedures for handling billing disputes and requests for payment arrangements.

D. Collections for delinquent accounts:

1. Collections for delinquent accounts shall be the responsibility of FES or its agent.
2. The Village shall approve the Collections process utilized by FES.
3. Failure of Members to pay charges for Competitive Retail Electric Services may result in loss of those products and service; and
4. Failure to pay charges for Competitive Retail Electric Services may result in cancellation of the Member's contract with FES, and return the Member to Toledo Edison's Standard Offer.

Re: Great news – Walbridge's Aggregation Program supplied by FirstEnergy Solutions continues to offer savings!

Dear Resident,

Your community's aggregation program provides you the opportunity to save money on your electric bill. These savings are possible through governmental aggregation, a community purchasing program where community officials bring together citizens to gain group buying power for the purchase of electricity from a retail electric generation provider certified by the Public Utilities Commission of Ohio.

FirstEnergy Solutions, a subsidiary of FirstEnergy Corp., has been selected to provide you with savings on your electric generation. If you're not already participating, this is your chance to join. If you're already participating, this is your opportunity to extend your savings. **There is no cost for enrollment, you will not be charged a switching fee, and you do not need to do anything to participate.** Please see the enclosed FAQs for more information.

By participating in this aggregation program, you will receive exclusive low pricing on your electric generation. The chart below shows the details of this program:

The Walbridge program was approved by voters in your community in May 2010.

Your Electric Utility	Price	Term End Date	Opt Out Deadline	Early Termination Fee
Toledo Edison	6% off Price To Compare	July 2019	January 5, 2017	\$25
How to estimate what your savings will be through this program Locate your Price to Compare on your electric bill. Divide your Price to Compare by 100, then multiply by 0.06 (6%) to determine your savings per kWh. Multiply that number by your total monthly usage. The final number is how much you can expect to save each month you use the same amount of electricity.				

If you are a new member of the program, you will see your electric savings from FirstEnergy Solutions after your enrollment has been completed and your switch has been finalized – approximately 30-45 days, depending upon your meter read date. Of course, you are not obligated to participate in the community's electric governmental aggregation program. If you do not want to participate in this savings program, you have until the opt out deadline to return the attached "opt-out" form. If you do not opt out at this time and leave the program at a later date, you might not be served under the same rates, terms and conditions that apply to other customers served by your utility. Once enrolled, you will receive a notice at least every three years asking if you wish to remain in the program. If you leave the program at any other time, you could be subject to the early termination fee listed above from FirstEnergy Solutions.

If you are not currently receiving electric generation from FirstEnergy Solutions, your electric utility will send you a letter confirming your selection of FirstEnergy Solutions as your electric generation provider. As required by law, this letter will inform you of your option to cancel your contract with FirstEnergy Solutions within seven days of its postmark. To remain a member of the community's electric governmental aggregation program, you don't need to take any action when this letter arrives. If you are currently enrolled in the community's aggregation program, you will not receive a letter from your electric utility.

Your electric utility will continue to maintain the system that delivers power to your home – no new poles or wires will be built by FirstEnergy Solutions. You will continue to receive a single, easy-to-read bill from your local electric utility with your FirstEnergy Solutions charges included. The only thing you'll notice is savings.

If you have any questions, please call FirstEnergy Solutions toll-free at 1-866-636-3749, Monday through Friday, 8 a.m. to 5 p.m. Please do not call your community with aggregation program questions.

Sincerely,

Walbridge Local Officials

P.S. To receive these savings, **you should not respond.** Return the opt-out form only if you do not want to participate in your community's electric governmental aggregation program.

Your Electric Utility	Price	Term End Date	Opt Out Deadline	Early Termination Fee
Toledo Edison	4% off Price To Compare	July 2019	January 5, 2017	\$50

How to estimate what your savings will be through this program

First, determine your Price to Compare; simply divide the amount of the Bypassable Generation and Transmission Related Component by the Kilowatt Hours Used. Then multiply your Price to Compare by 0.04 (4%) to determine your savings per KWH. Multiply that number by your total monthly usage. The final number is how much you can expect to save each month you use the same amount of electricity.

If you are a new member of the program, you will see your electric savings from FirstEnergy Solutions after your enrollment has been completed and your switch has been finalized – approximately 30-45 days, depending upon your meter read date. Electric Governmental Aggregation Program Frequently Asked Questions Residential Program

What is aggregation?

Under governmental aggregation, local officials bring citizens together to gain group buying power for the purchase of competitively priced electricity from a retail electric generation supplier certified by the Public Utilities Commission of Ohio.

How is my community able to choose a certified electric generation supplier on my behalf?

Residents voted to allow the community to contract for an electric generation supplier on their behalf.

How will I know if I can save money under the electric governmental aggregation program?

The price you pay for electric generation supply is guaranteed to be lower because you'll always receive the percent discount for your electric generation.

What do I need to do if I want to be included in this governmental aggregation?

You do not need to do anything to receive the discounted generation pricing under this program. You may choose to remain in the aggregation group and begin receiving your discount by simply not returning the opt-out form.

If I join my community's governmental aggregation program, who will deliver my power, read my meter and respond to emergencies, such as power outages?

Your electric utility will be responsible for the delivery of power to your home or business. Since your electric utility still owns the wires and poles that deliver power to you, it will continue to read your meter and restore power after an outage.

Is your price for residential power fixed, or does it vary?

In this program, the discount you will receive each month does not change. But because the actual price per kWh charged by the utility may change each month (based on the season and your usage), the price per kWh from FirstEnergy Solutions will also change each month.

If I am already a member of this program, why am I receiving this letter?

As a current member of your community's electric governmental aggregation program, you are given the opportunity to opt-out of the program at least every three years at no charge. Your previous contract with FirstEnergy Solutions is coming to an end, and this is your opportunity to either opt-out or continue saving with FirstEnergy Solutions.

What does "opt out" mean?

"Opt out" means that you can decide not to participate in your community's electric governmental aggregation program. By returning the opt-out form, which is included in this mailing, by the Opt Out Deadline you will not be enrolled as an electric generation customer with FirstEnergy Solutions, your community's competitive electric generation supplier, and you will not receive the discount.

What happens if I do not send in the opt-out form?

If you do not return the opt-out form postmarked by the Opt Out Deadline, you will be included in your community's governmental aggregation program and will receive competitively priced electricity from FirstEnergy Solutions.

Can I opt out over the phone?

No, if you want to opt out, you must mail in your completed opt-out form and it must be postmarked by the Opt Out Deadline.

Can I opt out of the program at a later date?

Yes, but you will be subject to the early termination fee from FirstEnergy Solutions if you cancel for any other reason but moving. However, you will be sent a notice at least every three years asking if you wish to remain in the program. At that point, you may opt out at no cost.

What are my energy supply choices if I decide to opt out?

You can stay with your current electric utility, which will continue to supply your electric generation as it always has, or you can shop for an alternative generation supplier. A list of competitive electric suppliers certified by the Public Utilities Commission of Ohio and their current prices are available by calling 1-800-686-PUCO (1-800-686-7826).

If I join the aggregation, can I stay on budget billing?

Yes, you can remain on budget billing.

Can I still have my payment automatically deducted from my checking account as I do now?

Yes. How you pay your electric bill will not change.

Who is FirstEnergy Solutions?

FirstEnergy Solutions Corp., a subsidiary of FirstEnergy Corp., offers a wide range of energy and related products and services, including the generation and sale of electricity and energy planning and procurement. FirstEnergy Solutions is a leading competitive supplier of energy to residential and commercial and industrial customers in Ohio, Pennsylvania, New Jersey, Maryland, Illinois and Michigan.

What is the toll-free number for questions?

If you have any questions, please call 1-866-636-3749, Monday through Friday, 8 a.m. to 5 p.m.

Additional FAQs for all-electric space heating, electric water heating and/or load management customers:**I receive a credit from my electric utility for my electric water heating. Will I miss out on this credit if I join this program?**

Because FirstEnergy Solutions is offering a discount off the Price to Compare, you are not missing out on any of the savings that utility credits provide.

If I leave this program at a later date, will I be able to keep the credits I get from my utility for having all-electric space heating, electric water heating and/or load management equipment?

Yes. This discount is in addition to the generation credit reflected in your Price to Compare. So if you cancel your contract with FirstEnergy Solutions, you will continue to receive the credits from your utility for having all-electric space heating, electric water heating and/or load management equipment as long as those credits are being offered.

FirstEnergy Solutions Corp. - Residential & Small Commercial Terms and Conditions

These Terms and Conditions apply to you because you are enrolling for electric generation service with FirstEnergy Solutions Corp. ("FES") through either (a) affirmative consent or (b) not opting out of your community aggregation program. If you enroll by affirmative consent, these Terms and Conditions and the enrollment information on the website are your agreement ("Agreement"). If you choose to remain in the community aggregation program by not "opting-out" or exercising the right of rescission these Terms and Conditions and your opt-out notification are your Agreement. Please keep a copy of this Agreement for your records.

FES is certified by the Ohio Public Utility Commission ("PUCO") to offer and supply electric generation services in Ohio. As a Competitive Retail Electric Service ("CRES") provider, FES will supply the electric generation to your Electric Distribution Utility (EDU) based on your usage. Your EDU then distributes or delivers the electricity to you. FES sets the generation prices and charges that the customers pay. The PUCO regulates distribution prices and services. The Federal Energy Regulatory Commission regulates transmission prices and services.

DEFINITIONS

Generation Service - The production of electricity.

Transmission Service - Moving high voltage electricity from a generation facility to the distribution lines of an Electric Distribution Utility ("EDU").

Distribution Service - Physical delivery of electricity to customers by EDU.

RIGHT OF RESCISSION

If you do not opt-out or you give your affirmative consent and are enrolled to receive generation service from FES, your EDU will send you a confirmation letter. You will have the right to rescind your enrollment within seven (7) calendar days following the postmark date of the confirmation letter by following the instructions contained in the letter. The Right of Rescission only applies when a customer switches to a generation supplier and not on renewal enrollments. Your EDU will not send a confirmation notice upon any renewal of this Agreement. Should you choose to opt-out of your community's program, you will be served by your EDU's standard service offer established pursuant to section 4928.14 of the Ohio Revised Code unless you choose an alternate supplier of electricity.

TERMS AND CONDITIONS OF SERVICE

1. **Eligibility.** Only eligible residential customer accounts not enrolled in the Percentage of Income Plan Program (PIPP) and eligible small commercial customers may enroll in this offer with FES. FES reserves the right to refuse enrollment to any customer with an outstanding electric bill balance.
2. **Basic Service Prices.** During the term of this Contract, you agree to pay FES for a total combined Transmission, Generation, and Generation Related Charges. You will be billed at 6% off your EDU Price to Compare per kilowatt-hour per billing month. Your Price to Compare consists of bypassable transmission, generation and transmission and generation related components, which are charges associated with the costs of purchased power

and the cost to deliver the power through the transmission system. These are the charges that you would avoid for that billing period when you switch to FES.

Your price per KWh will vary because it will always be a percent off the Price to Compare, which may change based on any changes made by the EDU in its calculations. In addition to FES' charges, you will be charged by your EDU for distribution and various other charges. FES reserves the right to unilaterally modify this billing format in the event the EDU is unable or unwilling to provide consolidated billing in this format or changes the calculation of the Price to Compare.

In the event that any change in any statute, rule, regulation, order, law, or tariff promulgated by any court, governmental authority, utility, Independent Service Operator ("ISO"), Regional Transmission Organization ("RTO") or other service provider, or any change in operating procedure, alters to the detriment of FES its costs to perform under this Agreement, FES may pass through to Customer such costs or revise the pricing under this Agreement to eliminate the impact of such changes. Before any such pass through or price revision, FES shall provide notice to Customer of the changes and the date upon which such pass through or revised pricing shall be effective. Customer shall pay the pass through costs or revised price described in such notice, and all other terms and conditions of this Agreement shall remain in full force and effect.

3. **Length of Agreement.** As a part of your community's program, your service from FES will commence with the next available meter reading and after processing of the enrollment by your EDU, and will continue through July 2019, ending on the meter read for the last month of service. The program may be terminated or modified due to unforeseen regulatory action. Customer and FES agree that any such regulatory action is a force majeure event. Should the program be terminated, you will be returned to the standard service offer or its successor.
4. **Billing.** You will continue to receive a single bill from your EDU that will contain both your EDU and FES charges. FES does not offer budget billing. If you do not pay your bill by the due date, FES may cancel this Agreement after giving you a minimum of fourteen (14) days written notice. Upon cancellation you will be returned to your EDU as a customer. You will remain responsible to pay FES for any electricity used before this Agreement is cancelled, as well as any late payment charges.
5. **Penalties, Fees and Exceptions.** If you do not pay the full amount owed FES by the due date of the bill, FES may charge a 1.5% per month late payment fee.
6. **Cancellation/Termination Provisions.** If this Agreement is not rescinded during the rescission period, enrollment will be sent to your EDU. You may terminate this Agreement, without penalty, if you move out of the EDU service territory or into an area where FES will charge a different price. *There will be a \$25.00 charge for each residential EDU account and a \$50.00 charge for each commercial EDU account if you terminate this Agreement for any other reason, except as expressly provided herein. Should you cancel service with FES and return to standard offer service with your EDU, you may not be served*

under the same rates, terms, and conditions that apply to other EDU customers.

7. Customer Consent and Information Release Authorization.

By choosing not to opt-out of your community's aggregation program or to affirmatively join it, you understand and agree to the terms and conditions of this Agreement with FES. You authorize FES to obtain information from the EDU that includes, but is not limited to: billing history, payment history, historical and future electricity usage, meter readings, and characteristics of electricity service. FES reserves the sole right to determine if your credit standing is satisfactory before accepting your enrollment request. This Agreement shall be considered executed by FES following acceptance of your enrollment request by FES, the end of the 7 day rescission period and subsequent acceptance of the enrollment by your EDU.

8. Contract Expiration. At least every three years, you will be given the opportunity to opt-out of your community's aggregation program at no cost. You are responsible for arranging for your electric supply upon termination of this Contract.

9. Dispute Procedures. Contact FES with any questions concerning the terms of service by phone at 1-888-254-6359 (toll-free) M-F 8AM - 5PM EST or in writing at 341 White Pond Drive, Attn: Contract Administration, Akron, OH 44320. Our web address is www.firstenergysolutions.com. If your complaint is not resolved after you have called your electric supplier and/or your electric utility, or for general utility information, residential and business customers may contact the Public Utilities Commission of Ohio for assistance at 1-800-686-7826 (toll free) or TTY at 1-800-686-1570 (toll free) from 8:00 am to 5:00 pm weekdays or at www.PUCO.ohio.gov. Residential customers may also call the Ohio Consumers' Counsel (OCC) at 1-877-742-5622 (toll free) from 8:00 am to 5:00 pm weekdays or at www.pickocc.org.

10. Miscellaneous. You have the right to request from FES, twice within a 12 month period, up to 24 months of payment history, without charge.

FES will not release your Social Security number and/or account number(s) without your written consent.

FES' environmental disclosure statement is available for viewing on our website - www.fes.com. You agree that FES will make the required quarterly updates to the statement electronically on our website. We will also provide the information upon request.

FES may assign its rights to another, including any successor, in accordance with the rules and regulations of the PUCO.

FES assumes no responsibility or liability for the following items that are the responsibility of the EDU: operation and maintenance of the EDU's electrical system, any interruption of service, termination of service, or deterioration of the EDU's service. In the event of a power outage, you should contact your local EDU.

Customer is responsible for providing FES with accurate account information. If said information is incorrect, FES reserves the right to reprice the applicable account(s) or terminate the agreement.

FES reserves the right to return any customer to the EDU if the customer's rate code is changed and the account is no longer eligible for this program.

11. Warranty. FES warrants title and the right to all electricity sold hereunder. THE WARRANTIES SET FORTH IN THIS PARAGRAPH ARE EXCLUSIVE AND ARE IN LIEU OF ALL OTHER WARRANTIES, WHETHER STATUTORY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR ARISING OUT OF ANY COURSE OF DEALING OR USAGE OF TRADE.
