**Re: Guernsey Power Station, LLC,
OPSB Case No. 16-2443-EL-BGN**

Dear Ms. Troupe:

The October 5, 2017, Opinion, Order, and Certificate ("Certificate") approving Guernsey Power Station, LLC ("GPS") Certificate of Environmental Compatibility and Public Need to Construct the Guernsey Power Station approved the Stipulation which set forth a set of conditions as part of the Certificate.

Within this set of conditions, **Condition No. 6** requires that:

Prior to construction activities in areas that require permits or authorizations by federal or state regulations, Applicant shall obtain and comply with all applicable permits and authorizations.

In compliance with this condition, GPS provided Ohio Power Siting Board Staff the following permit updates on May 20, 2019:

- Ohio Environmental Protection Agency ("OEPA") Final Air Permit to Install ("PTI") – Administrative Modification
- OEPA PTI – Approval of Extension
- Ohio Department of Transportation Office of Aviation – Letter Verifying No permit is required
- Federal Aviation Administration – Extension of Stack Determinations of No Hazard

If you have any questions please call at the number listed above.

Sincerely,

Dylan F. Borchers
