Re: Case No. 10-2387-TP-COI – Compliance with FCC ICC/USF Order

Dear Ms. Troupe,

NOS Communications, Inc. (“NOS” or the “Company”), by counsel, submits this letter to confirm the Company’s continuing compliance with the access rate reduction requirements of the Federal Communications Commission’s (“FCC”) November 2011 ICC/USF Order (FCC 11-161). The Company’s intrastate Ohio terminating switched access rates cross-reference to the terminating rates of the incumbent for each territory (either directly or through a cross-reference to NOS’s interstate terminating switched access rates which are maintained at parity with the interstate terminating rates of each incumbent). As the incumbents reduce their interstate terminating rates in compliance with the FCC’s mandated rate reductions, the Company’s interstate and intrastate terminating rates will be reduced as well. Consequently, no additional tariff revisions need to be made by the Company at this time.

If there are any questions regarding this letter or the Company’s access rates, please contact me at 202-945-6649 or via email at wbrantl@kelleydrye.com.

Sincerely,

Winafred Brantl
Counsel for NOS Communications, Inc.
