MOTION FOR LEAVE TO FILE LIST OF ISSUES OUT OF TIME

Pursuant to the Administrative Law Judge's Entry of April 3, 2019, each party must file a List of Issues citing specific concerns about which they may be interested in pursuing cross-examination of witnesses at the evidentiary hearing. The undersigned confused the dates as to when this was due as the hearing date was pushed back until July 17, with testimony not filed until July 5 and July 12. For good cause shown, the undersigned respectfully requests that the Preble Soil & Water Conservation District be granted leave to file the List of Issues untimely as there will be no harm or prejudice to any other party since the date of the hearing and for the filing of testimony have all been moved back. Further, the undersigned has reached out to all of the parties and as of this filing, no one has objected.

Respectfully submitted on behalf of
Preble Soil & Water Conservation District
