

Good cause exists for granting this motion. Angelina Solar intends to submit written direct testimony to support the stipulation, which includes revisions to Staff's recommended conditions as well as new proposed conditions. It is possible that Angelina Solar will have multiple witnesses to support the stipulation. It is also possible that other parties may file testimony. Continuing the hearing will provide the parties with needed time to evaluate the stipulation and prepare/submit testimony prior to the hearing recommencing.¹ Holding a status conference will assist in coordinating schedules and ensure input from all parties on a schedule for filing testimony as well as a date for reconvening the hearing.

Pursuant to Rule 4906-2-27(C) of the Ohio Administrative Code, Angelina Solar requests an expedited ruling on this Motion. Counsel for Angelina Solar has contacted counsel for all other parties, and no party objects to the granting of this motion or the issuance of a ruling without the filing of memoranda. Accordingly, for the above reasons, Angelina Solar requests that the Administrative Law Judge grant, on an expedited basis, its motion to continue the June 19, 2019 hearing date and instead hold a status conference with the parties (in person and by phone) on June 19, 2019, to set a schedule for filing testimony and a new hearing date.

Respectfully submitted,

/s/ Michael J. Settineri

¹ Angelina Solar also notes that one of its witnesses is not available for the June 19th hearing date, and that rescheduling the hearing would allow for that witness to appear and testify.
