**Re: Case No. 14-2328-EL-ACP
Switch Energy, LLC
2013 AEPS Compliance Requirements (REC Cost Disclosure)**

Dear Commission Staff:

In response to the February 26, 2015 Entry in this matter, I am filing on behalf of Switch Energy, LLC ("Switch") a redacted version of its average cost for 2013 Ohio AEPS obligations. Switch believes that its average renewable energy cost data for the 2013 compliance year should be protected from public disclosure as a trade secret. Therefore, it is also filing a Motion for Protective Order and is submitting two copies of the non-redacted information under seal pursuant to Rule 4901-1-24(D) of the Ohio Administrative Code.

Thank you for your consideration. Please feel free to contact me with any questions concerning this matter.

Very truly yours,

MATTHEW D. GOLISH
