Re: Case No. 07-0464-TP-COI  
Case No. 90-5032-TP-TRF

Dear Ms. Troupe:

On June 17, 2019, tariff pages for the Ameritech Operating Companies were filed with the Federal Communications Commission ("FCC") under Transmittal No. 1880. This filing in the F.C.C. No. 2 Tariff became effective on July 18, 2019.

In conjunction with the FCC's Second Report and Order in WC Docket No. 17-84 (FCC 18-74) released June 8, 2018 (Zero Demand Forbearance), with this filing Ameritech will add language that provides that it is no longer required to offer certain services in geographic areas where there are no customers subscribing to those services and it has received no reasonable requests within the prior 30 days. No existing customers are affected by this filing, nor are any areas affected in which Ameritech is already providing services to existing customers. The only change occasioned by this tariff filing is that, in the event a potential customer requests one of the affected services in an area where Ameritech is not already providing the service and has no existing customers, Ameritech may decline the request for service.

These tariff pages can also be viewed on the FCC website at <https://apps.fcc.gov/etfs/etfsHome.action>. Once on this page, follow these steps to access this filing:

1. Select the Public Access button.
2. Select the link: Browse Tariff Documents.
3. Select the link: Browse ILEC Tariff Documents.
4. From the alphabetical list select "Ameritech Operating Companies."
5. Select FCC 2 – Access Services tariff.
6. Locate tariff pages for Transmittal No. 1880 and select the View/Download Pages link on the righthand side.
