Bloomville, OH 44818

Dear Ohio Power Siting Board,

I am for the wind projects. A third generation farmer.

We need alternative sources of power. Here's a chance to participate and help the local government and schools with funds while putting folks to work. The folks against this referendum can sit on the sidelines - I'm going to stay in the game to help out my community. I hope that you vote yes and join me.

Thank You,  
Kris
