**RE: In the Matter of the Letter of Notification for the  
Adjustment to Heppner Switch-Lick 138 kV Transmission Line Project  
in Case No 19-1487-EL-BLN  
Proof of Compliance with O.A.C. 4906-6-07 and 4906-6-08**

Chairman Sam Randazzo:

AEP Ohio Transmission Company, Inc. hereby files this proof of compliance with the notice requirements set forth in Rules 4906-6-07 and 4906-6-08 of the Ohio Administrative Code for the above-referenced project applications:

1. In accordance with O.A.C. 4906-6-07(A)(1), AEP Ohio Transmission Company, Inc. served a copy of the Letter of Notification to each required chief executive officer or public agency head on August 16, 2019.
2. In accordance with O.A.C. 4906-6-07(A)(2), AEP Ohio Transmission Company, Inc., served a copy of the Letter of Notification to the main public libraries on August 16, 2019.
3. In accordance with O.A.C. 4906-6-07(A)(3), AEP Ohio Transmission Company, Inc. maintains information on the website for each project as to how to request a copy of the Letter of Notification.
4. In accordance with O.A.C. 4906-6-08(A), AEP Ohio Transmission Company, Inc. published public notices of the Letter of Notification in newspapers of general circulation in the project's area on August 17, 2019.
5. In accordance with O.A.C. 4906-6-08(B), AEP Ohio Transmission Company, Inc. mailed a letter describing the project to each property owner and affected tenant via first class mail on August 16, 2019. The letter met all the requirements of this rule.

Respectfully submitted,

/s/ Christen Blend

Tanner Wolfram (0097789)

## CHARGES DISMISSED, from FRONT

**"...The defendant's actions had nothing to do with the authorization of tourism grants."**  
**—Attorney, William C. (Bill) Martin**

Martin explained in his argument that the Tourism Board grants should not have been brought before the Board of Control in the first place. "Placing the tourism grants on the agenda of the Board of Control constituted at worst a procedural error. The error might merit a finding on an audit report, but Mayor Heath did not commit a crime by recording a motion."

In her Aug. 5 response, Rogers wrote: "After extensive research into the purpose of the Board of Control and the lodging tax statutes and accompanying Jackson municipal ordinances, the State would agree that the expenditures at issue were not properly before the Board of Control...."

"The remaining issue for the Court is whether an ethics offense can lie if the issue did not need to go before the board in the first place," Rogers continued. "Certainly, the members of the Board seemed to think their approval was needed, and if it in fact had been, Mr. Heath's participation would have been improper. However, his participation was actually irrelevant to the distribution of funds, as the Board of Control's approval was not needed."

She then ended her Response by stating that a dismissal of the charges would be "proper" if the Court decides there was no violation of the ethics law.

The three charges which were dismissed at the July 22 arraignment followed a similar path as the seven later charges and came after Martin had filed a "Memorandum of Law Interrogation Immunity and the Twenty-Five Percent Rule" on July 2.

In that argument, Martin was able to establish that Mayor Heath was immune from criminal liability on three of the charges because the Chamber of Commerce was not "dependent" upon the financial assistance of the City of Jackson. This position was based on a notion of state law establishing that an entity receiving a cumulative value of 25 percent or more of its funding during a fiscal year or calendar year from a public agency is considered "dependent" on that public agency's financial assistance. All of the grants to the Chamber were less than that 25 percent threshold.

Martin's position on this matter was not opposed by Rogers, which resulted in the attorneys agreeing that three of the charges would be dismissed. The judge then affirmed this during the arraignment and dismissed the three charges.

## Model A cars to be on display at airport

Public invited to 50<sup>th</sup> Anniversary celebration Saturday, Aug. 24

Antique cars will join aircraft in celebrating the 50th Anniversary of the James A. Rhodes Airport on Saturday, Aug. 24 from 11 a.m. to 3 p.m.

The Southern A's Model A Club is centered in Gulfville and draws members from surrounding counties, including a vigorous membership in Jackson County. Members gather for monthly breakfast meetings that conclude with a short driving tour in their immediately unregistered vehicles. There are also monthly dinner meetings with a "tech talk" as each owner is actively involved in upkeep of these vehicles manufactured between 1927 and 1932.

The Model A was the second large success for the Ford Motor Company, after the Model T. Nearly 5 million were sold by the time Ford replaced it with the Model B. The Southern A's members from Jackson include Scott Davis, Chuck and Kelly Harley, Tim and Mary Henderson, Leonard Long, Chip and Cathy Smalley, Alan and Jeanne Terry, and Paul and Penny Tucker.

Three members of the group just returned from the annual national convention in Dearborn, Michigan where Tim Henderson took a first-place plaque for his Touring Class beauty, named "Pantaloop."

In addition to drooling over these automotive beauties, guests will see a range of aircraft on display. Area pilots have been invited to fly-in. Local pilots are doing up their craft for display. The Gaines Flying Laboratory was here for the opening of the airfield 50 years ago and is still testing lighting systems for aircraft. Dewey Davenport will amaze folks with his open cockpit Bi-Plane from 1929 that spent years as a crop duster. He offers rides at \$70 each. Contact him at 937-677-0637 to schedule a run opportunity to experience this airborne thrill.

Rarity's Smokehouse and The Spot on Main are setting up food concessions. These are Jackson County businesses featuring area products. A formal dedication ceremony will be held at noon in front of the new terminal. Senator Bob Peterson will be among the speakers. Also celebrated is the recent completion of a \$1.8-billion refresh of the runway/taxiway. Be sure to stop into the terminal for a tour. The Community Room is available for local non-profit and government groups at no charge. Parking for the celebration is free and there is no admission charge.

Ford produced nearly 5 million Model A cars from 1927 to 1932. Those few that remain are handsomely restored. The Southern A's Model A Car Club will have vehicles on display during the 50th Anniversary celebration of the James A. Rhodes Airport on Saturday, Aug. 24 from 11 a.m. to 3 p.m. Parking and admission are free.

## W.H.S. TRACK, from FRONT

The Board decided previously to forgo the lighting, which brings the total cost closer to the original goal of \$1.6 million.

The contract for the natural surfacing scope of the project will go to Dullahan in the amount of \$22,265.

The bleachers/pavement and concrete plaza work was awarded to Durr for the amount of \$290,544.

Michels will perform the electric base scope of work for \$114,695.

The site work/concrete scope of work will go to Right-Way for the amount of \$454,994.45.

For \$772,240, Young's will take care of the fencing portion of the project.

G&J Paving was awarded the asphalt scope of work for the project in the amount of \$180,742.

The total cost of the project is to his just approximately under \$1.7 million, which includes the cost of the actual track surface.

Superintendent Karen Bach says fundraising is still a necessity in this endeavor. In fact, the Color Splash Fund Run is scheduled for Saturday, Sept. 7. This is an unified SEK run/walk for all ages and fitness abilities. Participants that register by Aug. 25 will receive a T-shirt, race bib, and individual color packet. Registration is \$30 by Aug. 25; however, after this date, the price is raised to \$25 and the promotional items are not guaranteed.

The event is hosted by the Wadsworth City School District.

A groundbreaking ceremony is expected toward the end of August, with completion expected by spring 2020 — just in time for track season. The Wadsworth School District has not had a usable high school track facility since 1999.

In a previous interview with The Telegram, Bach stated, "We are excited to be able to move forward with the project as it increases the opportunities for our students, student-athletes, staff, families and community. More importantly, we are appreciative of the board's commitment, the track committee's dedication, persistence and hard work to help make the project a reality."

## City of Jackson announces schedule for 2019 Labor Day holiday

All Jackson City offices will be closed on Monday, Sept. 2 in observance of Labor Day. The offices will re-open on Tuesday, Sept. 3. Garbage and Recycling will be as follows: Monday's garbage and recycling will not be picked up on Monday; it will be picked up on Tuesday, Sept. 3, along with Tuesday's normal pick-up. All garbage and recycling are to be at the curb no later than 6:30 a.m. on the day of scheduled pick-up.

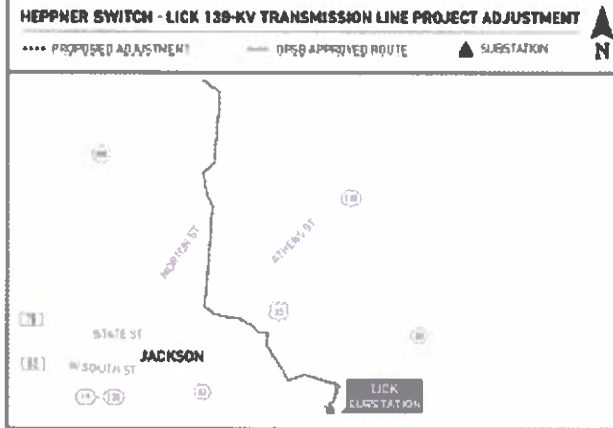

# NOTICE OF PROPOSED MAJOR UTILITY FACILITY

AEP Ohio has proposed minor changes to an upcoming electric transmission project in Jackson County, Ohio. The company announced the North Jackson 138-kV Transmission Line Project in May 2018 and filed the project with the Ohio Power Siting Board (OPSB) as the Heppner Switch-Lick 138-kV Transmission Line Project, Case No. 17-0808-EL-BLN. The approved project involves constructing approximately 4 miles of 69-kilovolt (kV) transmission line to 138-kV power line between Heppner Switch Station and Lick Substation. The project is located on the northeast side of the City of Jackson.

As the project continues to develop, AEP Ohio has recommended minor adjustments to the approved power line route.

AEP Ohio Transmission Co., Inc., a subsidiary of AEP Ohio, filed the updated route with the OPSB as the Adjustment to Heppner Switch-Lick 138-kV Transmission Line Project, Case No. 19-1487-EL-BLN. The Letter of Notification to construct, operate and maintain this facility awaits review by the OPSB.

The project supports economic development and improves electric reliability in the area. The company began construction on this project in January and plans to continue work on the adjusted sections of the power line route if it receives approval from the OPSB.

The OPSB accepts motions to intervene in the Letter of Notification up to 10 days following the publication date of this notice. The requirements to intervene are available in Rule 4906-2-12 of the Ohio Administrative Code. Please address motions to Ohio Power Siting Board, 180 E. Broad St., Columbus, Ohio, 43215-3793 and cite Case No. 19-1487-EL-BLN.

The accompanying map shows the project area. Please use this map only as a general guide due to its reduced scale and limited detail. Copies of the actual Letter of Notification, including specific details about the location and construction, are available for public inspection at the following locations:

Jackson City Library, 21 Broadway Street, Jackson, Ohio, 45640

Ohio Power Siting Board, 180 East Broad Street, Columbus, Ohio, 43215-3793, (614) 270-6772 or [contactopsb@psc.state.oh.us](mailto:contactopsb@psc.state.oh.us)

Electronic versions of the Letter of Notification are available at <http://www.aeptransmission.com/ohio/> and at the OPSB website at <http://opsb.ohio.gov>. Search under current cases for Case No. 19-1487-EL-BLN.

The following local city and county government officials have been served with a copy of the application as required by OPSB regulations:

Jackson County Commissioner, Mr. Edmond Armstrong

Jackson County Commissioner, Mr. Jon Henster

City of Jackson Council, Mr. Eric Brown

Coal Township Trustee, Mr. Glen Linton

Coal Township Fiscal Officer, Ms. Karen Fulton

Lick Township Trustee, Ms. Kathy Greer

Lick Township Fiscal Officer, Ms. Karen Wicklin

Jackson County Soil & Water Conservation District, Program Administrator

Jackson County Commissioner, Mr. Paul Haller

Jackson County Engineer, Ms. Melissa Miller

Coal Township Trustee, Mr. Bob Deuss

Coal Township Trustee, Mr. Shane Smith

Lick Township Trustee, Mr. Steve Walla

Lick Township Trustee, Ms. Shawn Sexton

City of Jackson Mayor, Mr. Randy Heath

If you are a local city or county government official and would like an electronic or hard copy of the Letter of Notification, please contact Joe Demaree at the information listed below.

To ask a question or make a comment about the project, please call (380) 205-5046 or send an email inquiry to [jdemaree@aep.com](mailto:jdemaree@aep.com). Mail inquiries can go to the following address:

AEP Ohio

«CITY», «STATE» «ZIP»

**RE: Letter of Notification**  
**North Jackson 138-kV Transmission Line Project Update**  
**Filed as Adjustment to Heppner Switch – Lick 138-kV Transmission Line Project**  
**Case No. 19-1487-EL-BLN**

Dear Neighbor,

You are receiving this letter because public records show you own property or live in the area where AEP Ohio plans to upgrade the local power grid. I'm writing to provide an update on the Heppner Switch – Lick 138-kV Transmission Line Project.

We announced and filed the Heppner Switch – Lick 138-kV Transmission Line Project, Case No. 17-0808-EL-BLN with the Ohio Power Siting Board (OPSB) in May 2018. The OPSB approved the project in August 2018. We wanted to let you know about proposed route adjustments to the originally filed route and subsequent regulatory filing.

The approved project involves constructing approximately 4 miles of 69-kilovolt (kV) transmission line to 138-kV power line between Heppner Switch Station and Lick Substation. The project is located on the northeast side of the City of Jackson, Jackson County, Ohio.

As the project continues to develop, we are now proposing minor adjustments to the approved power line route and are filing a new Letter of Notification with the OPSB to reflect the requested changes.

We have filed the updated route with the OPSB as the Adjustment to Heppner Switch - Lick 138-kV Transmission Line Project, Case No. 19-1487-EL-BLN. **Please see Page 3 of this document for key regulatory information associated with this project.**

The project supports economic development and improves the electric service reliability in the area. Construction on this project began in January, however, work will commence on the adjusted sections of the route following approval from the OPSB.

You're encouraged to comment on this regulatory update by:

- Calling me at (614) 552-1134
- Sending me an email to [jkdemaree@aep.com](mailto:jkdemaree@aep.com)
- Sending your comments directly to the OPSB at 180 E. Broad St., Columbus, Ohio, 43215-3793. You may also contact the OPSB at (866) 270-6772 or [contactopsb@puc.state.oh.us](mailto:contactopsb@puc.state.oh.us). (Note: You

can file petitions to intervene in the OPSB process to the siting board up to 10 days following the public notice announcing the project).

The map below shows the project area. Please use this map only as a general guide due to its reduced scale and limited detail.

Thank you for your continued support during construction of this project. If you have general questions or would like to comment on the regulatory filing, please contact me so I can answer your questions.

Sincerely,

Joe Demaree  
AEP Ohio Project Outreach Specialist

**AEP Ohio**  
700 Morrison Road  
Gahanna, OH 43230

## **Adjustment to Heppner Switch – Lick 138-kV Transmission Line Project Regulatory Information Q&A**

Representatives of AEP Ohio Transmission Company, Inc., (AEP Ohio Transco) have prepared and filed a Letter of Notification to the State of Ohio Power Siting Board (OPSB) for this proposed project. This filing is required when we make certain changes to our transmission facilities, according to Rule 4906-6-01, et. seq., of the Ohio Administrative Code.

### ***What is the name and docket number for this project filing?***

We're filing this project with the OPSB as the Adjustment to Heppner – Lick 138-kV Transmission Line Project, Public Utilities Commission of Ohio Case No. 19-1487-EL-BLN.

### ***What happens now that the letter has been filed?***

The Letter of Notification to construct, operate and maintain this facility is pending before the OPSB.

### ***Where can I find physical copies of the Letter of Notification?***

Copies of the actual Letter of Notification, including specific details about the location and construction, are available for public inspection at the following locations:

- **Jackson City Library**, 21 Broadway St., Jackson, Ohio 45640
- **Ohio Power Siting Board**, 180 E. Broad St., Columbus, Ohio, 43215-3793  
(866) 270-6772  
[contactopsb@puc.state.oh.us](mailto:contactopsb@puc.state.oh.us)

### ***Where can I find electronic copies of the Letter of Notification?***

Electronic versions of the Letter of Notification are available at <http://www.aeptransmission.com/ohio/> and at the OPSB website at <http://opsb.ohio.gov>. Search under current cases for Case No. 19-1487-EL-BLN.

RE: Letter of Notification  
North Jackson 138-kV Transmission Line Project Update  
Filed as Adjustment to Heppner Switch – Lick 138-kV Transmission Line Project  
Case No. 19-1487-EL-BLN

Dear «ADDRESSEE»:

You are receiving this letter because AEP Ohio wants to update you on a power line project proposed in your area.

We announced and filed the Heppner Switch – Lick 138-kV Transmission Line Project, Case No. 17-0808-EL-BLN, with the Ohio Power Siting Board (OPSB) in May 2018. The project involves rebuilding 4 miles of power line between Heppner Switch Station and Lick Substation on the northeast side of the City of Jackson. The OPSB approved the project, including a route for the power line, in August 2018.

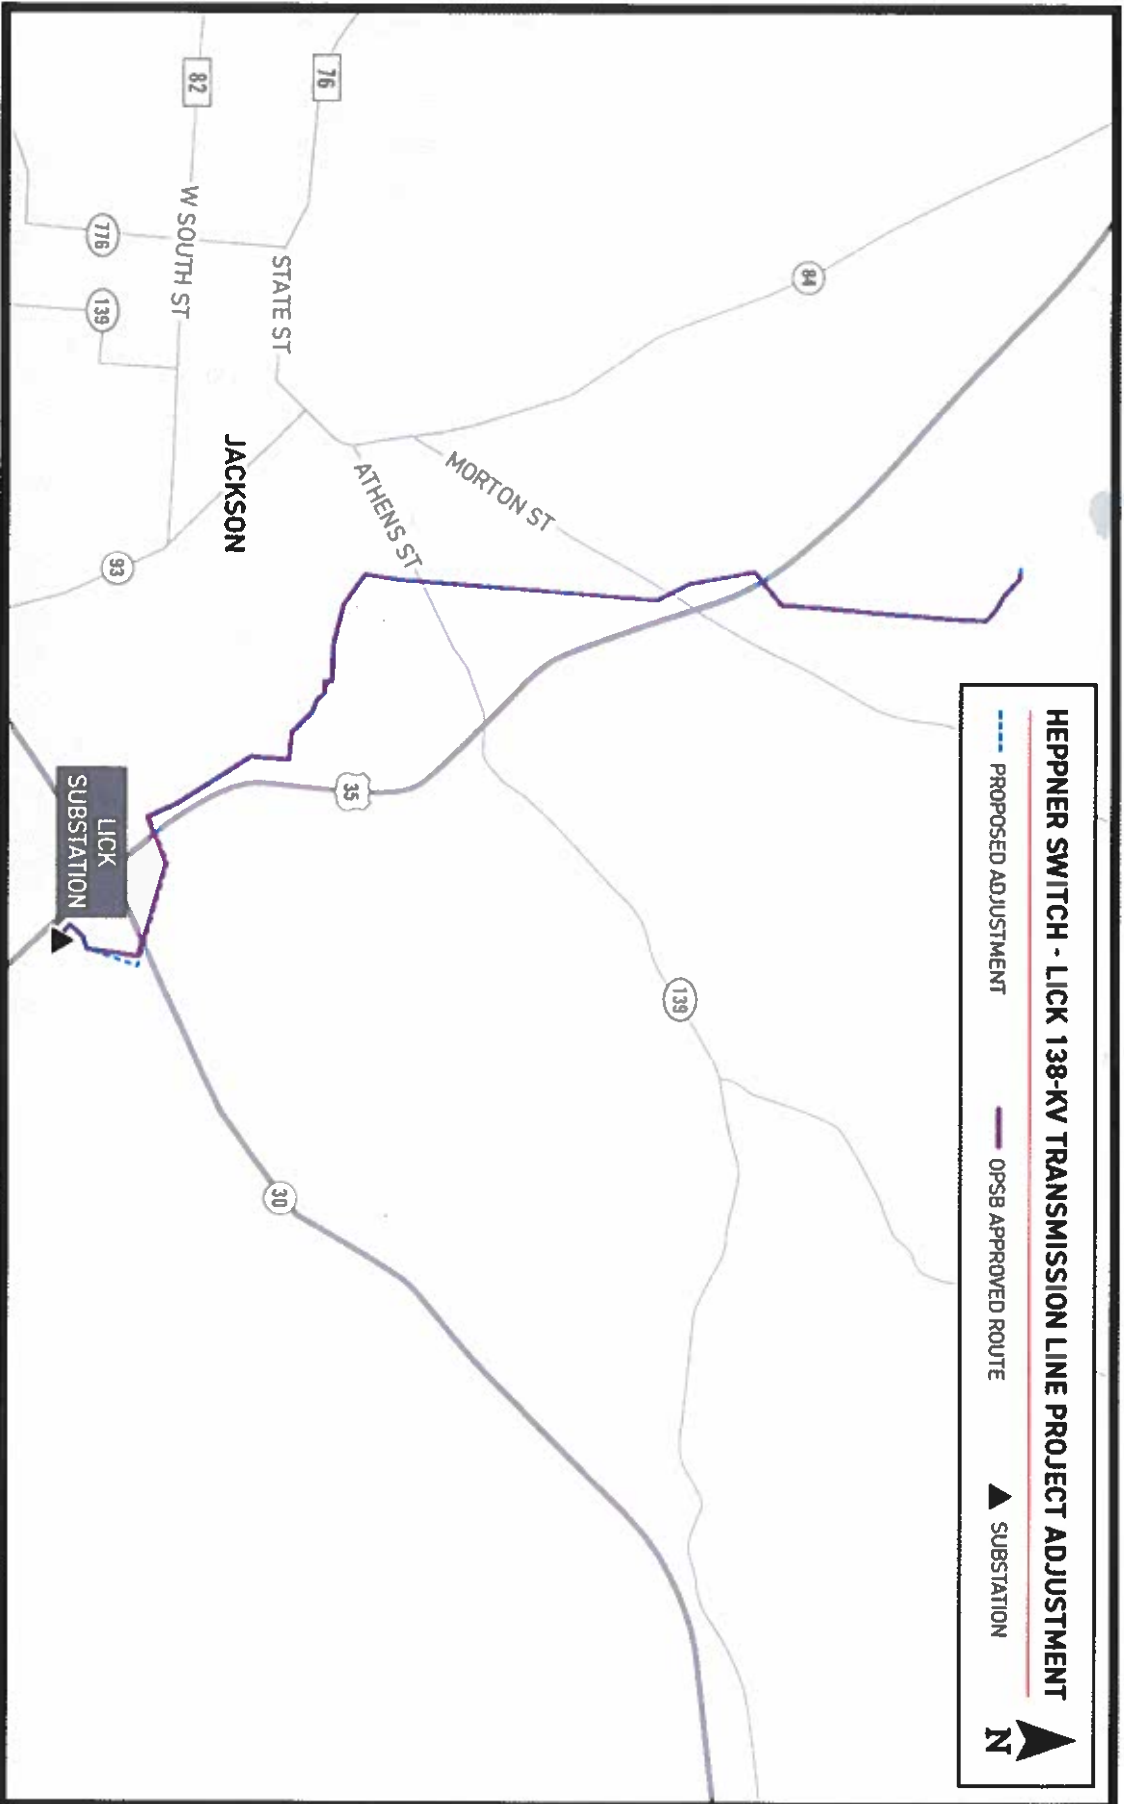

As the project continues to develop, we are now proposing minor adjustments to the approved power line route and are filing a new Letter of Notification with the OPSB to reflect the requested changes. We have filed the updated route with the OPSB as the Adjustment to Heppner Switch – Lick 138-kV Transmission Line Project, Case No. 19-1487-EL-BLN.

The project supports economic development and improves the electric service reliability in the area. Construction on this project began in January, however, work will commence on the adjusted sections of the route following approval from the OPSB.

Please contact me at (380) 205-5046 or [jkdemaree@aep.com](mailto:jkdemaree@aep.com) if you would like an electronic copy of the Letter of Notification or if you have any questions about this project.

Sincerely,

Joe Demaree  
Project Outreach Specialist  
AEP Ohio
