**Energy Partner Consultants Inc.**  
**Case No. 18-1793-EL-AGG**

By Entry dated December 27, 2018, the certification application of Energy Partner Consultants Inc. was suspended in order to give the Commission and Staff additional time to consider the application. The application filed on December 3, 2018 did not contain sufficient information for C-3, C-5, C-6, C-7 and C-10. Staff has attempted to contact Energy Partner Consultants numerous times via telephone and email, with no response. As of this date, Energy Partner Consultants has not provided any additional information or documents for review and consideration of its application. Without complete information, Staff does not have enough documentation to evaluate the Company's capabilities for certification as a Competitive Retail Electric Service Provider. Therefore, Staff recommends that this application be dismissed.
