Re: Amendment to Material Change Notifications Filed on August 14, 2019

Dear Secretary Troupe,

Material Change Notices were filed by our firm on August 14, 2019, on behalf of the CRES providers in the following PUCO cases:

13-0105-EL-CRS	11-6022-EL-CRS
12-1510-EL-CRS	14-0482-EL-CRS
13-1836-EL-CRS	11-5815-EL-CRS

On page 2 of those Material Change Notices, we included a list of jurisdictions in which affiliated companies are authorized to provide retail and wholesale electric services, for purposes of **Section B-1** of each respective CRES provider's *Renewal Application for Retail Generation Providers and Power Marketers*. We hereby amend that section of the Material Change Notices to add **Michigan** to that list of jurisdictions in which affiliated companies are authorized to provide retail and wholesale electric services.

Thank you for your assistance, and please do not hesitate to contact me with any questions or concerns.

Secretary Tanowa Troupe
