Re: OPSB Case No. 19-1778-GA-BNR
Pre-Application Letter for Expedited Application

Dear Ms. Troupe:

Pursuant to Rule 4906-6-03(A), South Field Energy LLC submits this pre-application letter regarding its pending construction notice for a minor shift in the natural gas pipeline permitted under Case No. 16-1166-GA-BLN. The shift will consist of an approximately .5 mile “bump-out” just north of the approved pipeline corridor (within the original 1,000 foot study area). The shift is a result of technical difficulties experienced during construction. South Field Energy is requesting expedited processing of the construction notice given the need to maintain the project’s current schedule.

Very truly yours,

/s/ Michael J. Settineri
