THE PUBLIC UTILITIES COMMISSION OF OHIO

IN THE MATTER OF THE ANNUAL FILING
REQUIREMENTS FOR 2019 PERTAINING
TO THE PROVISIONING OF HIGH-COST
UNIVERSAL SERVICE.

CASE NO. 19-1115-TP-COI

FINDING AND ORDER

Entered in the Journal on September 26, 2019

I. SUMMARY

{¶ 1} In this Finding and Order, the Commission certifies to the Federal Communications Commission and the Universal Service Administrative Company those carriers eligible to receive federal high-cost support.

II. APPLICABLE LAW

{¶ 2} Pursuant to 47 C.F.R. 54.314, states that desire telecommunications carriers to receive support pursuant to the high-cost program must file an annual certification with the Federal Communications Commission (FCC) and the Universal Service Administrative Company (USAC) stating that all federal high-cost support provided to such carriers within the state was used in the preceding calendar year and will be used in the coming year only for the provision, maintenance, and upgrading of facilities and services for which the support is intended.

{¶ 3} Ohio Adm.Code 4901:1-6-09(C)(1) provides that in order to be eligible for federal universal funding in a given year, all eligible telecommunications carriers (ETCs) receiving high-cost funding in a given year, including incumbent local exchange carriers and competitive local exchange carriers, must file no later than August 31st of each year an affidavit with the Commission stating that all federal high-cost support provided to the carrier for service areas in Ohio will be used only for the provision, maintenance, and upgrading of facilities and services for which the support was intended pursuant to 47 U.S.C. 254(e).

III. PROCEDURAL BACKGROUND

{¶ 4} In order to comply with the FCC's certification requirements, and consistent with Ohio Adm.Code 4901:1-6-09(C), on August 2, 2019, the attorney examiner released an Entry in the instant docket calling for notarized affidavits from those carriers presently receiving federal universal service high-cost funding in Ohio, attesting that they will utilize such support consistent with 47 U.S.C. 254(e). Each Ohio high-cost ETC that anticipates funding for calendar year 2020 from any high-cost mechanism was directed to complete and file with the Commission in this proceeding a notarized copy of the affidavit form (Attachment A of the August 2, 2019 Entry). Without such certification, the FCC will not permit carriers to continue to receive federal universal service support.

{¶ 5} Consistent with the Entry of August 2, 2019, the 41 carriers set forth in Attachment A to this Finding and Order filed notarized affidavits for the corresponding study codes.

IV. DISCUSSION

{¶ 6} The Commission staff has reviewed the affidavits submitted by the 41 carriers and has concluded that the notarized affidavits satisfy the FCC's requirements for certification to receive high-cost funding consistent with 47 U.S.C. 254(e).

{¶ 7} The Commission finds that certification should be granted for the carriers set forth in Attachment A in order to receive federal high-cost support consistent with 47 C.F.R. 54.314.

V. ORDER

{¶ 8} It is, therefore,

{¶ 9} ORDERED, That all carriers identified in Attachment A are hereby certified to the FCC and USAC as being eligible to receive federal high-cost support as contemplated by 47 C.F.R. 54.314. It is, further,

{¶ 10} ORDERED, That the Commission staff send a letter to the FCC and USAC by October 1, 2019, certifying the carriers as being eligible to receive federal high-cost support for 2020. It is, further,

{¶ 11} ORDERED, That nothing contained in this Finding and Order shall be deemed binding upon this Commission in any subsequent investigation or proceeding involving the justness or reasonableness of any rate, charge, rule, or regulation. It is, further,

{¶ 12} ORDERED, That a copy of this Finding and Order be served upon all parties and interested persons of record.
