DOCKETING CASE #: 18-1205-GA-AIR

SUBJECT: Suburban Natural Gas Rate Increase

I am opposed to the base rate increase requested by Suburban Natural gas. I just moved to Lewis Center in July. There is no other choice for a gas supplier for my home address. Because of this I feel that we, current residents, should have a say in this matter. I feel that the explanation for the justification of the increase is due to the growth of Delaware county and that this cost should not be the responsibility of the current residents. Perhaps the increase could be assessed to the new construction (residential or commercial). This would be a far more fair way to do it. Please consider this as an equitable option.

Please docket the comment in the case number above.

Sincerely,

Courtney Fleming
