### II. DISCUSSION

{¶ 2} The 133rd Ohio General Assembly adopted Amended Substitute House Bill No. 6, effective October 22, 2019, (HB 6) that, among other things, provides that each electric distribution utility (EDU) shall file with the Commission a rate schedule applicable to county fairs and agricultural societies. {¶ 3} In order to solicit and appropriately review the EDUs' rate design proposals, as well as consider comments from interested stakeholders, the Commission finds it necessary to open the above-captioned proceeding.

{¶ 4} The Commission instructs the EDUs to file proposed tariffs implementing new rate schedules to accommodate the new rate design for county fairs and other agricultural societies in this docket on or before November 13, 2019. Consistent with the requirements of HB 6, rate schedules proposed in the applications should incorporate either of the following: (1) a fixed monthly service fee; or (2) an energy charge on a kilowatt-hour basis. The EDUs should also, at the very least, provide some explanation as to why one rate design methodology was chosen over the other.

{¶ 5} Comments responsive to the submitted proposed tariffs may be filed by December 4, 2019.

### III. ORDER

{¶ 6} It is, therefore,

{¶ 7} ORDERED, That EDUs file their respective proposed tariffs implementing new rate schedules to accommodate the new rate design for county fairs and other agricultural societies in this docket on or before November 13, 2019. It is, further,
