**Re: The East Ohio Gas Company d/b/a Dominion Energy Ohio Construction Notice for
Bullseye Station Lateral Transmission Pipeline Project,
Case No. 19-1908-GA-BNR**

Dear Ms. Turkenton and Ms. Troupe:

On October 16, 2019, The East Ohio Gas Company d/b/a Dominion Energy Ohio's ("DEO") filed a pre-application notification letter in order for the Ohio Power Siting Board ("Board") to open a case for Bullseye Station Lateral Transmission Pipeline Project, Union Township, Tuscarawas County, Ohio. DEO also included a request for expedited treatment.

By this letter, DEO would like to waive the expedited treatment period of 28 days set forth in OAC Rule 4906-6-03(B) and instead, requests that the processing time for this matter be extended to 60 days from the date of filing. DEO expects to begin tree clearing in mid to late December 2019, so issuance of staff report by December 11, 2019 would align with DEO's project schedule.

Please contact me if you have any questions regarding this matter.

Sincerely,

Devin D. Parram
