**DOCKETING CASE #:**18-1205-GA-AIR

**SUBJECT:** Suburban Natural Gas Company - Rates & Tariffs

The base rate SNG charges is already higher than Columbia gas and we have no option in lewis center but to use SNG. Thye have more customers and are making more money than ever. Theyvsay they are incurring more costs for infrastructure but the builders pay for the new lines. This price hike request should not be approved and we should have the right to choose whonwe get our gas from and not held hostage by SNG

Please docket the comment in the case number above.

Sincerely,

Courtney Fleming
