**RE: In the Matter of the Letter of Notification Application of The Dayton Power and Light Company
for a Certificate of Environmental Compatibility and Public Need for the Clay Substation Project
PUCO Case No. 19-1822-EL-BLN
Proof of Compliance with Ohio Administrative Code 4906-6-07**

Dear Chairman Randazzo,

The Dayton Power and Light Company ("DP&L") hereby files this proof of compliance with the notice requirements set forth in Rules 4906-6-07 of the Ohio Administrative Code for the above-referenced project application:

1. In accordance with OAC 4906-6-07(A)(1), DP&L served a copy of the Letter of Notification to each required chief executive officer or public agency head on November 11, 2019.
2. In accordance with OAC 4906-6-07(A)(2), DP&L served a copy of the Letter of Notification to the main public libraries on November 11, 2019.
3. In accordance with OAC 4906-6-07(A)(3), DP&L maintains on its website, information explaining how to request an electronic or hard copy of the Letter of Notification.

Respectfully submitted,

ss:/ *Randall V. Griffin*

Re: **Dayton Power and Light – Clay Substation Project**
Service of Application on Local Public Officials
PUCO Case Number 19-1822-EL-BLN

Dear Mr. Fauber,

The Dayton Power and Light Company (DP&L) is in the process of obtaining approval from the Ohio Power Siting Board (OPSB) for the Clay Substation Project (Project) located in Clay Township, Highland County, Ohio. The purpose of this Project is to tap the existing 345 kV transmission line that connects the existing Stuart Substation to the existing Clinton Substation and to build a new greenfield 345 kV substation for the purpose of interconnecting a new solar generator. Construction is expected to start in March 2020 and be completed by September 30, 2020.

In accordance with Ohio Administrative Code (OAC) Rule 4906-6-05, this Project falls within the OPSB's requirements for a Letter of Notification (LON) application. In compliance with OAC Chapter 4906-6-05, we have prepared and filed the attached LON application with the OPSB for their review and approval. The application includes a project description and other pertinent information.

Copies of the application have been distributed to local government officials and local public libraries.

For additional details about the OPSB and this project, please refer to the OPSB website at <https://www.opsb.ohio.gov/>. To view an electronic version of the application, search Case Number 19-1822-EL-BLN. Please contact Scott Teeters at 937-331-4314 or by email at dpltransmissionmaintenancegroup@aes.com if you have any questions about the project.

Sincerely,

A handwritten signature in black ink, appearing to read "Kathryn N. Storm".

3. Place label in shipping pouch and affix it to your shipment so that the barcode portion of the label can be read and scanned.

Warning: Use only the printed original label for shipping. Using a photocopy of this label for shipping purposes is fraudulent and could result in additional billing charges, along with the cancellation of your FedEx account number.

Use of this system constitutes your agreement to the service conditions in the current FedEx Service Guide, available on fedex.com. FedEx will not be responsible for any claim in excess of \$100 per package, whether the result of loss, damage, delay, non-delivery, misdelivery, or misinformation, unless you declare a higher value, pay an additional charge, document your actual loss and file a timely claim. Limitations found in the current FedEx Service Guide apply. Your right to recover from FedEx for any loss, including intrinsic value of the package, loss of sales, income interest, profit, attorney's fees, costs, and other forms of damage whether direct, incidental, consequential, or special is limited to the greater of \$100 or the authorized declared value. Recovery cannot exceed actual documented loss. Maximum for items of extraordinary value is \$1,000, e.g. jewelry, precious metals, negotiable instruments and other items listed in our Service Guide. Written claims must
