In the Matter of the Application of )  
Ohio Power Company to Initiate its ) Case No. 19-1475-EL-RDR  
gridSMART ® Phase 3 Project. )  
)  
)

---

**MOTION OF IEU-OHIO  
FOR LEAVE TO INTERVENE**

---

IEU-Ohio hereby respectfully moves the Public Utilities Commission of Ohio (“Commission”), pursuant to R.C. 4903.221, and Rule 4901-1-11, Ohio Administrative Code (“O.A.C.”), for leave to intervene in the above-captioned matter with the full powers and rights granted by the Commission, specifically by statute or by the provisions of the O.A.C., to intervening parties.

On July 26, 2019, Ohio Power Company (“AEP-Ohio”) filed an application and supporting testimony to initiate phase 3 of its gridSMART initiative. IEU-Ohio has participated in AEP-Ohio’s prior gridSMART proceedings as well as the electric security plan (“ESP”) proceedings that have authorized the riders which collect the associated gridSMART costs. The ultimate outcome of this proceeding may affect the costs borne by IEU-Ohio members served by AEP-Ohio.

As demonstrated further in the Memorandum in Support, IEU-Ohio has a direct, real, and substantial interest in the issues and matters involved in the above-captioned proceeding and is so situated that the disposition of this proceeding may, as a practical

matter, impair or impede its ability to protect that interest. IEU-Ohio believes that its participation will not unduly prolong or delay this proceeding and that it will significantly contribute to the full development and equitable resolution of the factual and other issues in this proceeding. The interests of IEU-Ohio will not be adequately represented by other parties to the proceeding and, as such, IEU-Ohio is entitled to intervene with the full powers and rights granted by the Commission, specifically by statute and by the provisions of Commission rules to intervening parties.

Respectfully submitted,

/s/ Matthew R. Pritchard

**MEMORANDUM IN SUPPORT**

---

In support of this Motion to Intervene, IEU-Ohio states that it is an association of ultimate customers. A current listing of IEU-Ohio member companies is available on IEU-Ohio's website at [http://www.ieu-ohio.org/member\\_list.aspx](http://www.ieu-ohio.org/member_list.aspx). IEU-Ohio's members purchase substantial amounts of electric and related services from Ohio's electric distribution utilities ("EDU").

IEU-Ohio's members work together to address matters that affect the availability and price of utility services. Additionally, IEU-Ohio seeks to promote customer-driven policies that will assure an adequate, reliable, and efficient supply of energy for all consumers at competitive prices. To this end, IEU-Ohio has worked and will continue to work to produce legislative, regulatory, and market outcomes that are consistent with the State policy contained in R.C. 4928.02.

IEU-Ohio has a real and substantial interest inasmuch as this proceeding may directly or indirectly impact the provision of electric service to IEU-Ohio members' manufacturing facilities. Specifically, IEU-Ohio's direct interest in this proceeding is the

result of the effect that this proceeding shall have upon the price, adequacy, and reliability of the electric supply and related services within Ohio.

Respectfully submitted,

*/s/ Matthew R. Pritchard*
