SUBJECT: Case No. 16-743-EL-POR

Dear Mrs. McNeal:

In the Commission's Entry dated August 22, 2019 in Case No. 19-363-EL-WVR, the deadline for Ohio Edison Company, The Cleveland Electric Illuminating Company, and The Toledo Edison Company (collectively "Companies") to file their next energy efficiency / peak demand reduction portfolio plans was extended to December 1, 2019. Subsequently, Ohio House Bill 6 went into effect on October 22, 2019 which provides for the extension of the Companies' existing energy efficiency/peak demand reduction portfolio plans and corresponding budgets. Consequently, there is no need for the Companies to file new portfolio plans.

Sincerely,

Robert M. Endris
Attorney for Ohio Edison Company, The
Cleveland Electric Illuminating Company,
and The Toledo Edison Company
