Colombia Gas of Ohio Statement enclosed

Filing Against Colombia Gas of Ohio

Statement:

For approximately 6 months been arguing with Col Gas of Ohio About Billing. Weaver Pumping Station has been pumping water off the well and had to replace a valve or meter not sure which we then received a Bill and I called they said they would remove the Billing and there would be 0- owed because it was on their property and not on our end of the well head. Also just recently had Weaver Pumping Station come out & check for leaks around well head and line coming to our home. Found no leaks and well Indur told us we were right on schedule with our usage and in fact had not gone over our limit

I would like the Commission to withdraw the amount we supposedly owe to Colombia Gas of Ohio. I don't feel we owe them anything at this time - last 2 years have not used ~~over~~ our allotment that we were allowed to consume.

## Helpful Definitions

**Ccf** is equal to 100 cubic feet and is used to measure your gas usage.

**Estimated Readings** are calculated based on your typical monthly usage rather than on an actual meter reading.

**Fixed Monthly Delivery Charge** covers a portion of the fixed costs required to ensure that natural gas service is available to your home. This amount is the same with each bill.

**Usage Based Charges** are basic charges for natural gas supply services to retail customers, excluding natural gas distribution services.
