

December 5, 2019

To: Public Utilities Commission of Ohio

From: Shauni Nix, Executive Director  
Ohio Energy Project

On behalf of Ohio Energy Project (“OEP”), I respectfully request leave to file untimely comments in this proceeding. Although OEP worked diligently to submit comments in accordance with the Public Utilities Commission of Ohio’s (“PUCO”) procedure, OEP inadvertently missed the November 25 deadline for filing comments. OEP filed its comments on December 3, 2019.

There is good cause to support our request to file comments after the deadline. No parties will be adversely affected by submission of these comments. Further, consideration of OEP’s comments will result in a more comprehensive record because of OEP’s unique perspective on energy efficiency programs.

Therefore, we request that OEP be granted leave to submit its comments that were filed on December 3, 2019. We hope that the PUCO takes our comments into consideration in any decision made in this proceeding.
