RE: **Case Nos. 17-1152-EL-BGN and 18-1267-EL-BGA
Hillcrest Solar I, LLC**

Notice of Compliance with Certificate Condition #15 - Prior to the commencement of construction, prepare a landscape and lighting plan that addresses the aesthetic and lighting impacts of the facility where an adjacent non-participating parcel contains a residence with a direct and open line of sight to the facility. The plan shall include measures such as alternate fencing, vegetative screening, good neighbor agreements, or other measures, and shall be provided to Staff for review and confirmation that it complies with this condition.

Hillcrest Solar I, LLC ("Hillcrest Solar") is certified to construct a solar-powered electric generation facility in Brown County, Ohio in accordance with the orders issued by the Ohio Power Siting Board ("OPSB") in the above-referenced cases.

Attached please find a copy of the Hillcrest Lighting and Landscape Management Plan regarding compliance with Certificate Condition #15 of the Opinion, Order and Certificate issued on February 15, 2018 in Case No. 17-1152-EL-BGN.

We are available, at your convenience, to answer any questions you may have.

Sincerely,

Julia Mancinelli, Senior Manager – Environment
