Re: Case No. 19-2148-GA-BLN

Board Members,

The proposed route of the Columbia Gas pipe line is through farmland that is protected by an Agriculture Easement with the OHIO DEPARTMENT of AGRICULTURE EASEMENT No 294930 dated August 21, 2003. This Agriculture Easement prohibits industrial or commercial activity on this protected farm land.

Columbia Gas representatives were made aware that this farmland positioned on both sides of Adelsberger Road is protected by this Agriculture Easement. But they appear to ignore this fact and have proceeded to develop the proposed route of the pipeline along this road.

I suggest that Columbia Gas of Ohio considers alternate routes that do not involve this protected farmland.
