PRE-APPLICATION NOTIFICATION LETTER
NSG Glass North America Tap Project
Case No. 20-0013-EL-BLN

Dear Ms. Troupe:

In accordance with Ohio Administrative Code ("OAC") Rule 4906-6-03(A) and OAC Chapter 4906-6 generally, this letter will serve as the pre-application notice letter of applicant American Transmission Systems, Incorporated ("ATSI"), a FirstEnergy company, for the above referenced Project. ATSI expects to file an expedited Letter of Notification application for the Project shortly.

In this Project, ATSI will propose a new transmission line tap from the Fostoria West End (AEP)-Lemoyne-West Fremont 138kV transmission line to the proposed NSG Garling Substation, a customer owned substation. The new substation will provide power to NSG Glass North America Inc. The new transmission line segment is 0.83 miles long and will require fifteen (15) new wood structures and one (1) new steel structure. The Project will be located in Troy Township, Wood County, Ohio.

If approved, ATSI expects to begin construction on this Project as early as March 1, 2020 and anticipates completion by June 1, 2020.

Sincerely,

Robert Maggiore
Transmission Specialist II
Energy Delivery
Transmission and Substation Design
FirstEnergy Service Company
