SUMMARY

On August 29, 2019, Ohio Gas Company filed an application in Case No. 19-1354-GA-ALT for an alternative rate plan to authorize a Geographical Information System Cost Recovery Rider. This application was filed subsequent to Case No. 15-222-GA-AAM, which in that case, the Commission authorized Ohio Gas to defer expenses associated with the first phase of the GIS project, up to a pre-interest cap of \$925,000.

On November 7th, 2019, the Staff Report was filed recommending the application be approved subject to certain modifications. On November 21, 2019, Ohio Gas filed correspondence accepting the Staff's recommendations. On December 18, 2019, the Commission issued an Opinion and Order adopting the application subject to the Staff's recommendations.

STAFF REVIEW AND RECOMMENDATION
