Re: *In re The East Ohio Gas Company d/b/a Dominion Energy Ohio*, Case No. 15-1712-GA-AAM

Dear Ms. McNeal:

On January 8, 2020, Staff filed a motion in this proceeding to clarify the procedures by which The East Ohio Gas Company d/b/a Dominion Energy Ohio (DEO) could defer expenses associated with new initiatives under its Pipeline Safety Management Program (PSMP). On January 23, 2020, DEO filed a memorandum in response, which clarified DEO's position and proposed discussing possible improvements to the existing reporting process for PSMP activities and deferred expenses. On January 30, 2020, Staff filed a Reply that proposed various changes and clarifications to the existing reporting process.

DEO has reviewed Staff's reply, and Staff's proposed changes and clarifications are acceptable to DEO. To ensure that DEO's obligations under the PSMP are clear, DEO would request that the Commission issue an Order adopting Staff's changes.

Please note that a copy of this correspondence will be filed electronically in this proceeding through the Commission's Docketing Information System (DIS).

Respectfully submitted,

/s/ Christopher T. Kennedy

*Counsel for The East Ohio Gas Company d/b/a
Dominion Energy Ohio*

This foregoing document was electronically filed with the Public Utilities

Commission of Ohio Docketing Information System on
