**RE: Case No. 18-1800-EL-BLN
Devola-Mill Creek 138 kV Transmission Line Project
Notice of Adjustments**

Dear Sir or Madam:

After consulting with OPSB Staff, AEP Ohio Transmission Company, Inc. (“AEP Ohio Transco”) provides the following notice of adjustment to the 0.4 mile Devola-Mill Creek 138 kV Transmission Line Project.

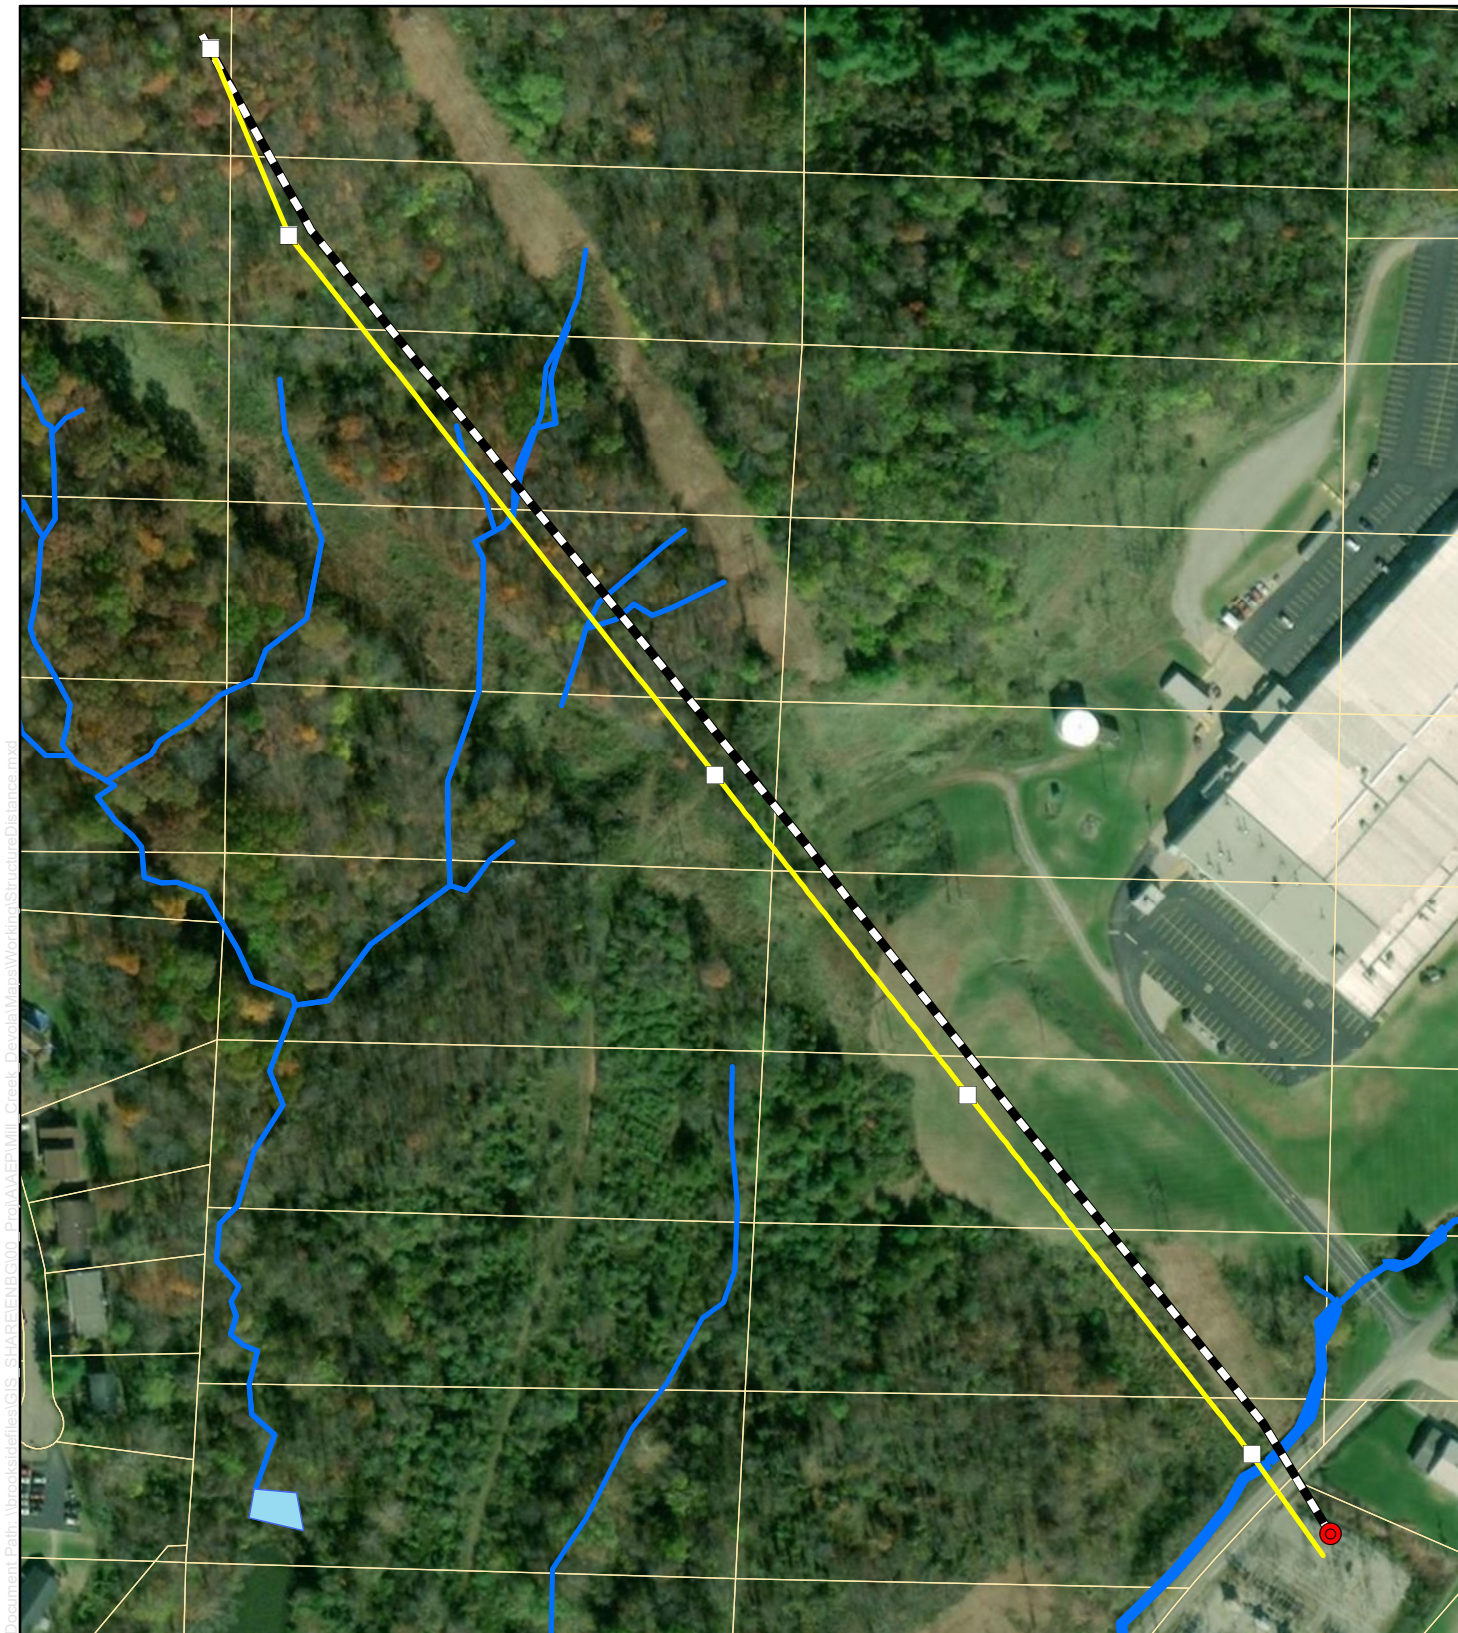

AEP Ohio Transco is shifting the centerline approximately 25-35 feet west and eliminating the need for distribution underbuild. This shift does not affect any new property owners or impact any additional wetlands or streams. Attached is a map showing the shifts.

Please let me know if you have any questions or need additional information.

Respectfully submitted,

/s/ Tanner S. Wolffram
