**Subject:** Please stop wind turbines on the lake

Case # 16-1871-EL-BGN

I'm writing to ask that you stop the project to build wind turbines on Lake Erie. I don't understand why a state full of farms cannot have a wind farm -instead of putting them on our beautiful lake view. Cleveland has one great view- and this would be right in the middle.

And yes we could see them!

We need to develop our coastline to renew our great city -and this is the wrong way to go.

Thank you!

Cathy Tasse
