Dear Ms. Addison,

I am responding to your inquiry as to the status of my case against DP&L.

Quite a few months ago I received a call from Michael Schuller, attorney for DP&L offering a settlement for this case. He offered the following

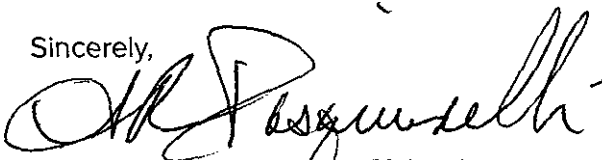

[REDACTED]

I never received anything from him and he never contacted me again. I tried several times to follow up with DP&L but they were unable to give me any information.

I very much would like to follow through with this agreement as that would give me a fresh start and is something I can afford.

Thank you for following up on this and hopefully there will be resolution soon.

Sincerely,

Ellen Pasquinelli
