Docket Case #19-2148
Subject: Comments on behalf of Midwest Express Inc.

Midwest Express Inc. operates a growing logistics and assembly operation along SR 287 in Eastern Logan County. Our company utilizes natural gas service from Columbia Gas. Midwest Express is concerned that potential future growth plans may be inhibited by a lack of additional natural gas supply to this area. Midwest Express would like to see a long-term regional solution to the natural gas capacity issue so Midwest Express can continue with additional investments and potential new jobs to the local economy.
