**IN THE MATTER OF THE JOINT PETITION OF OHIO  
POWER COMPANY D/B/A AEP OHIO, INC. AND  
SOUTH CENTRAL POWER COMPANY TO REVISE  
THEIR CERTIFIED TERRITORIES.**

**Case No. 20-0387-EL-PEB**

To the Honorable Commission:

In accordance with Section 4933.83(E), Revised Code, the Ohio Power Company (Ohio Power) and the South Central Power Company (South Central Power) filed a joint petition to reallocate a portion of their electric certified territories. The proposed boundary changes are to better align service territory boundaries to reflect actual customers served. All suggested boundary changes are as shown in the petition filing.

Staff reviewed the petition for conformance with R.C. 4933.81 to 4933.90. The petitioning electric suppliers and all affected customers are in agreement with the proposed reallocation. Absent any objections from the Commission or other parties, staff recommends approval of the proposed reallocation of electric certified territory.

Sincerely,
