Opt-Out Deadline

Electric Aggregation Enrollment Notification

Dear Resident or Small Business,

Welcome to your community's electric aggregation program which provides you with exclusive pricing on the electric generation portion of your electric bill. This is possible through governmental aggregation, a community purchasing program where community officials use group buying power to purchase electricity from a retail electric generation supplier certified by the Public Utilities Commission of Ohio. This program was approved by voters in your community in November 2009.

How You Benefit

By participating in this aggregation program, you will receive the following exclusive pricing on your electric generation:

	Your Electric Utility	Fixed Price	Term End	Early Termination Fee
Residential	Ohio Edison	5.14 cents per kWh	May 2021	None
Small Business	Ohio Edison	5.14 cents per kWh	May 2021	None

Energy Harbor has been selected by your community to provide your electric generation. If you're not already participating, this is your chance to join. If you're already participating, this is your opportunity to continue the benefits of the program.

Same Reliable Service

Your electric utility will continue to maintain the system that delivers power to your home or business – no new poles or wires will be built by Energy Harbor. You will continue to receive a single, easy-to-read bill from your local electric utility with your Energy Harbor charges included. There is no cost for enrollment, you will not be charged a switching fee, and **you do not need to do anything to participate.**

Enrollment Information

If you are not currently receiving electric generation from Energy Harbor, your electric utility will send you a letter confirming your selection of Energy Harbor as your electric generation provider. As required by law, this letter will inform you of your option to cancel your contract with Energy Harbor within seven days of its postmark. To become a member of the community's electric governmental aggregation program, you don't need to take any action when this letter arrives. If you are currently enrolled in the community's aggregation program, you will not receive a letter from your electric utility.

Opt-Out Information

If you are a new member of the program, your future bills will reflect the electric price listed above from Energy Harbor after your enrollment has been completed and your switch has been finalized – approximately 30-45 days, depending upon your meter read date. Of course, you are not obligated to participate in the community's electric governmental aggregation program. If you do not want to participate in your community program, you have until the opt-out deadline to return the attached "opt-out" form below. If you do not opt out at this time and leave the program at a later date, you might not be served under the same rates or terms and conditions that apply to other customers served by your utility. Once enrolled, you will receive a notice at least every three years asking if you wish to remain in the program. If you leave the program at any other time, you could be subject to the early termination fee listed above.

Please refer to the enclosed Terms and Conditions and FAQs for more information. Your community has selected Energy Harbor to handle questions regarding your community-approved electric aggregation program. If you have any questions, please call Energy Harbor toll-free at 1-866-636-3749, Monday through Friday, 8 a.m. to 5 p.m.

Sincerely,

Jim Scharville, Township Administrator

Community Electric Aggregation Program FAQs v.2.20

How is my community able to choose a certified electric generation supplier on my behalf?

Under governmental aggregation, local officials bring citizens together to gain group buying power for the purchase of competitively priced electricity from a retail electric generation supplier certified by the Public Utilities Commission of Ohio (PUCO). Residents voted to allow the community to contract for an electric generation supplier on their behalf.

What do I need to do if I want to be included in this governmental aggregation?

You do not need to do anything to receive the discounted generation pricing under this program. You may choose to remain in the aggregation group by simply not returning the opt-out form.

Is my price for power fixed, or does it vary?

The information in your letter states if your price is fixed, variable, or variable based on a tiered pricing structure. Your community decided on a fixed pricing structure. Your price will remain the same each month for the length of your Agreement.

How will I know if I can save money under the electric governmental aggregation program?

You'll know you are saving money as long as your price with Energy Harbor is lower than your utility's Price to Compare (PTC).

If I am already a member of this program, why am I receiving this letter?

As a current member of your community's electric governmental aggregation program, you are given the opportunity to opt out of the program at least every three years at no charge. Your previous contract with Energy Harbor is coming to an end, and this is your opportunity to either opt out or continue the benefits of the program.

What does "opt out" mean?

"Opt-out" means that you can decide not to participate in your community's electric governmental aggregation program. By returning the opt-out form, which is included in this mailing, by the Opt-Out Deadline you will not be enrolled as an electric generation customer with Energy Harbor, your community's competitive electric generation supplier, and you will not receive the discount.

What happens if I do not send in the opt-out form?

If you do not return the opt-out form by the Opt-Out Deadline, you will be included in your community's governmental aggregation program and will receive competitively priced electricity from Energy Harbor.

Can I opt out over the phone?

No, if you want to opt out, you must mail in your completed opt-out form and it must be received by the Opt-Out Deadline.

Can I opt out of the program at a later date?

Yes, you may leave the aggregation program at any time.

What are my energy supply choices if I decide to opt out?

You can stay with your current electric utility, which will continue to supply your electric generation as it always has, or you can shop for an alternative generation supplier. A list of competitive electric suppliers certified by the PUCO and their current prices are available by calling 1-800-686-PUCO (1-800-686-7826).

If I join the aggregation, will Energy Harbor continue to budget bill my supplier charges?

Yes. Toledo Edison, The Illuminating Company, Ohio Edison and Duke Energy include supplier charges in the monthly budgeted amount. Budget billing supplier charges is limited in AEP Ohio's and DP&L's service areas. Please call 1-866-636-3749, if you have questions regarding budget billing in your area.

Can I still have my payment automatically deducted from my checking account as I do now?

Yes. How you pay your electric bill will not change.

If I join my community's governmental aggregation program, who will deliver my power, read my meter and respond to emergencies, such as power outages?

Your electric utility will still be responsible for delivering power to your home or business, reading your meter and restoring power after an outage.

Who is Energy Harbor?

Energy Harbor is a fully integrated retail energy provider and independent power producer capable of generating substantial carbon-free energy. The company proudly serves nearly one million residential, commercial and industrial customers in Ohio, Pennsylvania, New Jersey, Maryland, Illinois and Michigan.

What is the toll-free number for questions?

If you have any questions, please call 1-866-636-3749, Monday through Friday, 8 a.m. to 5 p.m.

Residential and Small Commercial – Electric Terms and Conditions	
Governmental Aggregation Product	Fixed Price
Electric Distribution Utility (“EDU”)	Ohio Edison Company
Price and Length of Agreement	5.14 ¢/kWh through your May 2021 meter read
Cancellation/Termination Fee	None

These Terms and Conditions apply to you because you are enrolling for electric generation service Energy Harbor LLC (“Energy Harbor”) through either (a) affirmative consent or (b) not opting out of your community aggregation program. If you enroll by affirmative consent, these Terms and Conditions and the enrollment information on the website are your Agreement (“Agreement”). If you choose to remain in the community aggregation program by not “opting-out” or exercising the right of rescission, these Terms and Conditions and your opt-out notification are your Agreement. Please keep a copy of this Agreement for your records.

Energy Harbor is certified by the Public Utilities Commission of Ohio (“PUCO”) to offer and supply electric generation services in Ohio. As a Competitive Retail Electric Service (“CRES”) provider, Energy Harbor will supply the electric generation to your EDU based on your usage. Your EDU then distributes or delivers the electricity to you. Energy Harbor sets the generation prices and charges that the customers pay. The PUCO regulates distribution prices and services. The Federal Energy Regulatory Commission (“FERC”) regulates transmission prices and services.

Definitions: *Generation Charge* – Charge for the production of electricity. *Transmission Charge* – Charge for moving high voltage electricity from a generation facility to the distribution lines of the EDU. *Distribution Service* – Physical delivery of electricity to customers by the EDU.

Right of Rescission: If you do not opt-out or you give your affirmative consent and are enrolled to receive generation service from Energy Harbor, your EDU will send you a confirmation notice of transfer of service. You will have the right to rescind your enrollment within seven (7) calendar days following the postmark date of the confirmation notice by following the instructions contained in the notice. The Right of Rescission only applies when a customer switches to a generation supplier and not on renewal enrollments. Your EDU will not send a confirmation notice upon any renewal of this Agreement. Should you choose to opt-out of your community’s program, you will be served by your EDU’s standard service offer established pursuant to section 4928.14 of the Ohio Revised Code (“ORC”) unless you choose an alternate supplier of electricity.

Eligibility: Only eligible residential customer accounts not enrolled in the Percentage of Income Plan Program (“PIPP”) and eligible small commercial customers may enroll in this offer from Energy Harbor. Energy Harbor reserves the right to refuse enrollment to any customer with an outstanding electric bill balance.

Basic Service Prices: During the term of this Agreement, you agree to pay Energy Harbor a price indicated in the table above for a total combined Transmission, Generation and Generation Related Charge (“Retail Electric Service”). Your Price to Compare (“PTC”) consists of bypassable transmission, generation and transmission and generation related components, which are charges associated with the costs of purchased power and the cost to deliver the power through the transmission system. These are the charges that you would avoid for that billing period when you switch to Energy Harbor. In addition to Energy Harbor’s charges, you will be charged by your EDU for distribution and various other charges. Your price may also include a fee assessed by a broker or agent representing your community.

Length of Agreement: As a part of your community’s program, your Retail Electric Service from Energy Harbor will start on your next available meter read after processing of the enrollment by your EDU and continue through the term indicated in the table above. The program may be terminated prior to the term pursuant to the terms of the master agreement between Energy Harbor and your community for the aggregation program. Should the program be terminated, you will be returned to your EDU’s standard service offer or its successor. In the event that any change in any statute, rule, regulation, order, law, or tariff promulgated by any court, governmental authority, utility, Independent System Operator (“ISO”), Regional Transmission Organization (“RTO”) or other service provider, or any change in operating procedure, alters to the detriment of Energy Harbor its costs to perform under this Agreement, you may receive a notification from Energy Harbor. This notification will include a description of one or more of the situations described above. Energy Harbor may offer you new Terms and Conditions. You must indicate your affirmative consent to the new Terms and Conditions as specified in the notices. If you do not contact Energy Harbor to accept the new terms, this Agreement will terminate on the date specified in the notices, and you may be returned to your EDU for Retail Electric Service. Alternatively, Energy Harbor may decide to terminate this Agreement, and you will receive prior written notice of the termination, after which you may be returned to your EDU for Retail Electric Service. Whether Energy Harbor offers you new terms or terminates this Agreement under this provision, you will not be responsible for the cancellation/termination fee (if any) set forth in the table above. You must still pay all Energy Harbor charges through the date you are returned to your EDU or switched to another CRES provider for service.

Billing: You will continue to receive a single bill from your EDU that will contain both your EDU and Energy Harbor charges. Energy Harbor reserves the right to unilaterally modify this billing format in the event your EDU is unable or unwilling to provide consolidated billing in this format or changes the calculation of the PTC. If you do not pay your bill by the due date, Energy Harbor may cancel this Agreement after giving you a minimum of fourteen (14) days written notice. Upon cancellation you will be returned to your EDU as a customer. You will remain responsible to pay Energy Harbor for any electricity

used before this Agreement is cancelled, as well as any late payment charges. If you have 12 months of billing history and you are enrolled in budget billing with the EDU, you can enroll in a budget billing program once per year. At the end of the contract term, you are responsible for payment of any outstanding balance upon final contract true up. Energy Harbor reserves the right to adjust your monthly budget amount prior to final contract true up. If you enroll in budget billing, then choose not to be in the program or if you become two consecutive monthly payments overdue, you will be removed from budget billing, your account will be reconciled, and you will be billed for the outstanding budget balance on your next billing cycle. Failure to pay electric utility charges may result in you being disconnected in accordance with your EDU's tariff.

Penalties, Fees and Exceptions: If you do not pay the full amount owed Energy Harbor by the due date of the bill, Energy Harbor may charge a 1.5% per month late payment fee.

Cancellation/Termination Provisions: You may terminate this Agreement, without penalty, if you move out of the EDU service territory or into an area where Energy Harbor charges a different price. There may be a Cancellation/Termination Fee indicated in the table above if you terminate this Agreement for any other reason, except as expressly provided herein. Upon termination with Energy Harbor and return to the standard service offer with your EDU, you may not be served under the same rates, terms, and conditions that apply to other EDU customers.

Customer Consent and Information Release Authorization: By choosing not to opt-out of your community's aggregation program, or to affirmatively join it, you understand and agree to the terms and conditions of this Agreement with Energy Harbor. You authorize Energy Harbor to obtain information from the EDU that includes, but is not limited to: billing history, payment history, historical and future electricity usage, meter readings, and characteristics of electricity service. Energy Harbor reserves the sole right to determine if your credit standing is satisfactory before accepting your enrollment request. This Agreement shall be considered executed by Energy Harbor following acceptance of your enrollment request by Energy Harbor, the end of the 7-day rescission period, and subsequent acceptance of the enrollment by your EDU.

Contract Expiration: At least every three (3) years, you will be given the opportunity to opt-out of your community's aggregation program at no cost. You are responsible for arranging for your electric supply upon termination of this Agreement.

Dispute Procedures: Contact Energy Harbor with any questions concerning the terms of service by phone at 1-888-254-6359 (toll-free) M-F 8:00 am to 5:00 pm EST or in writing at Energy Harbor Attn: Contract Administration, 168 East Market St Akron, OH 44308. Force Majeure Termination: Energy Harbor will make commercially reasonable efforts to provide your electric service but does not guarantee a continuous supply of electricity. Certain causes and events are out of Energy Harbor's reasonable control ("Force Majeure Event(s)") and may result in interruptions in service. Energy Harbor will not be liable for any such interruptions caused by a Force Majeure Event, including but not limited to, acts of God, war, civil disturbance, insurrection, terrorism, fire, flood, earthquake, acts of default of common carriers, strikes, boycotts, unforeseen maintenance, unforeseen shutdowns or deficiencies of sources of supply, inability to access the local distribution utility system, nonperformance by the EDU or other similar circumstances beyond Energy Harbor's reasonable control.

Miscellaneous: You have the right to request from Energy Harbor, twice within a 12-month period, up to 24 months of payment history, without charge. Energy Harbor's environmental disclosure statement is available for viewing on our website www.energyharbor.com. Energy Harbor will make the required quarterly updates to the statement electronically on our website and will also provide the information upon request. Energy Harbor may assign its rights to another CRES provider, including any successor, in accordance with the rules and regulations of the PUCO. Energy Harbor assumes no responsibility or liability for the following items that are the responsibility of the EDU: operation and maintenance of the EDU's electrical system, any interruption of service, termination of service, or deterioration of the EDU's service.
