Subject: I support Emerson Creek Wind!

Dear Docket Submission Ohio Public Siting Board,

As a resident of the area surrounding the Emerson Creek Wind project (Docket No. 18-1607-EL-BGN, Emerson Creek), I want to encourage you to award a permit to this project.

There are problems with the regulation of wind energy in Ohio. Because renewable energy helps ensure a future for my children, and everyone's children, fix the regulations. Encourage renewable energy! The Common Good is good for all.

Regards,
Pamela Easterday
