Dear Sir or Madam:

On March 21, from 3 P. M. to 8 P. M., a meeting was scheduled concerning Case #16-0253-GA-BTX; Duke Central Corridor Extension Gas Pipeline. It was to be held at the University of Cincinnati--Blue Ash campus.

Because of the pandemic, that meeting was canceled. I had planned to attend and, if possible, to testify. I am writing to urge the Ohio Power Siting Board to reschedule that meeting once the threat from COVID-19 has passed.

This issue is too important not to hold the public meetings that were scheduled before the coronavirus began to sweep the country.

I appreciate whatever consideration you can give to my request.

Thank you.

Sincerely,

Tim Shay
