Re: Case Number 09-479-EL-BGN
In the Matter of the Application of Hardin Wind Energy LLC for a Certificate of Environmental Compatibility and Public Need for the Hardin Wind Farm

Dear Chairman Randazzo,

In Case No. 09-479-EL-BGN, the Ohio Power Siting Board ("Board") authorized Hardin Wind Energy to construct, operate and maintain an interconnection substation and associated facilities in Hardin County, Ohio. In its September 20, 2018 entry ("Entry") in Case No. 09-479-EL-BGN, the Board granted a joint application to transfer the certificate for the interconnection substation to AEP Ohio Transmission Company, Inc. ("AEP Ohio Transco").

Based on coordination with Staff, AEP Ohio Transco hereby files this letter and engineering drawing depicting the tie-line the Company will construct between the switchyard and the substation pursuant the certificate granted to AEP Ohio Transco in the Entry.

If you have any questions, please do not hesitate to contact me.

Respectfully submitted,

/s/ *Tanner S. Wolffram*
Christen M. Blend (0086881), Counsel of Record
Tanner S. Wolffram (0097789)
