Re: In the Matter of the Certification Application Of The City Of Vermilion, Case No. 11-3545-EL-GAG- Notice of Material Change.

Dear Ms. Troupe:

I represent Energy Harbor LLC (f/k/a FirstEnergy Solutions Corp.). I am writing to inform the Commission of a material change regarding the governmental aggregation certificate issued to the City of Vermilion (“Vermilion”), Certificate No. 11-357E.

This letter is to clarify that Vermilion has chosen NOPEC to serve as the provider for its electricity aggregation program beginning on customer’s June 2020 meter read dates. Vermilion has therefore elected to change its regulatory contact to Glenn S. Krassen, Bricker & Eckler LLP, 1001 Lakeside Avenue East, Suite 1350, Cleveland, OH 44114, 216.523.5469, gkrassen@bricker.com. Please update the Commission’s records accordingly.

If you have any questions or concerns about Energy Harbor’s service of Vermilion through June 2020 please don’t hesitate to contact me. For all other questions please contact Mr. Krassen.

Very truly yours,

/s/ N. Trevor Alexander
