Jill,

My construction inspection notes from a phone conversation with the project Foreman on 12-18-2017 indicate that SAN CR 85 Tille Rd was placed in-service on 12-16-2017 and the same notes indicate that SEN CR 11 was placed into service on 12-17-2017. I could not find RR issued In-Service Notifications for either crossing. Don

Don,

Do you have in-service dates? I need this for the closure document and the database.

Jill
