Opt-Out Deadline

June 10, 2020

Franklin Township
Community Electric Aggregation Notification

Dear Resident or Small Business,

Welcome to your community's electric aggregation program which provides you with exclusive pricing on the electric generation portion of your electric bill. This is possible through governmental aggregation, a community purchasing program where community officials use group buying power to purchase electricity from a retail electric generation supplier certified by the Public Utilities Commission of Ohio. This program was approved by voters in your community in November 2016.

How You Benefit

By participating in this aggregation program, you will receive the following exclusive pricing on your electric generation:

	Your Electric Utility	Fixed Price	Term End	Early Termination Fee
Residential	Duke Energy	4.59 cents per kWh	July 2023	None
Small Business	Duke Energy	4.59 cents per kWh	July 2023	None

Energy Harbor has been selected by your community to provide your electric generation. If you're not already participating, this is your chance to join. If you're already participating, this is your opportunity to continue the benefits of the program.

Same Reliable Service

Your electric utility will continue to maintain the system that delivers power to your home or business – no new poles or wires will be built by Energy Harbor. You will continue to receive a single, easy-to-read bill from your local electric utility with your Energy Harbor charges included. There is no cost for enrollment, you will not be charged a switching fee, and **you do not need to do anything to participate.**

Opt-Out Information

You are not obligated to participate in the community's electric governmental aggregation program. If you do not want to participate in your community program, you have until the opt-out deadline to return the attached "opt-out" form below or you may contact Energy Harbor toll-free at 1-866-636-3749 to opt-out over the phone. **You may choose to leave the program at any time, without penalty, and will NOT be charged cancellation fee.**

Enrollment Information

Following the opt-out deadline, if you are a new member of the program, your future bills will reflect the electric price listed above from Energy Harbor after your enrollment has been completed and your switch has been finalized – approximately 30-45 days, depending upon your meter read date. If you do not opt out at this time and leave the program at a later date, you might not be served under the same rates or terms and conditions that apply to other customers served by your utility. If you are not currently receiving electric generation from Energy Harbor, your electric utility will send you a letter confirming your selection of Energy Harbor as your electric generation provider. If you are currently enrolled in the community's aggregation program, you will not receive a letter from your electric utility. As required by law, this letter from your utility will inform you of your option to rescind your enrollment with Energy Harbor within seven days of its postmark. **To become a member of the community's electric governmental aggregation program, you don't need to take any action when this letter arrives.**

Please refer to the enclosed Terms and Conditions and FAQs for more information. Your community officials have selected Energy Harbor to handle all questions regarding your community-approved electric aggregation program. If you have any questions or wish to opt out, please call to Energy Harbor toll-free at 1-866-636-3749, Monday through Friday, 8 am to 5 pm.

Sincerely,

Franklin Township
