

May 16, 2020

To the Ohio Power Siting Board:

We are residents of Seneca County and writing to our objection to commercial wind turbines in our area. We have witnessed many bald eagles in our area over the years and the sightings have increased in the past years.

I have lived in Seneca Co. for 70 years plus and I see no need for such massive turbines to be placed in this farming community in articles I have seen they are a hazard in more ways than not, this is a farming area to raise food not to make someone rich.

We are concerned about the East, the Leath, Shadow flicker of these massive turbines.

Please protect our counties by not allowing these projects  
17-295-EL-BGN Republic Wind Farm  
18-1607-EL-BGN Emerson Creek  
Wind Farm to be put up.

Thank you,

Eugene J Smith
