RE: *In the Matter of the Dayton Power and Light Company Case Nos. 19-568-EL-RDR
and 19-841-EL-ATA.*

Dear Docketing Division:

Staff has worked with Dayton Power and Light Company (DP&L or Company) and determined that the Tax Savings Credit Rider (TSCR) is an appropriate rider to incorporate the credit associated with the PUCO/OCC Assessment Fees recovered through the Standard Service Offer Rate. Staff has reviewed the Company's proposed tariffs and supporting workpapers, and finds the revised TSCR rate to be accurate.

Tamara S. Turkenton
